

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**April 25, 2005**

**TO:** Honorable Kino Flores, Chair, House Committee on Licensing & Administrative Procedures

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB2863** by Chisum (relating to certification of compliance with requirements for sales of certain items to metal recycling entities.), **Committee Report 1st House, Substituted**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend the Occupations Code relating to the certification of compliance with requirements for sales of certain items to metal recycling entities.

The bill would require a person that sells or transfers to a metal recycling entity a lead-acid battery, fuel tank, or PCB-containing capacitor that is included with another type of scrap, used, or obsolete metal, to certify compliance with the Texas Department of Transportation (TxDOT). Items part of a nonrepairable motor vehicle acquired by a salvage dealer would have to be certified in accordance with the form prescribed by TxDOT.

The bill would take effect September 1, 2005.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
