**Austin, Texas**

**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**April 26, 2005**

**TO:** Honorable Harvey Hilderbran, Chair, House Committee on Culture, Recreation, & Tourism

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB3553** by Luna (Relating to the boundaries of and prohibited acts in the Nine-Mile Hole State Scientific Area; providing a penalty.), **As Introduced**

<b>No fiscal implication to the State is anticipated.</b>
---

The bill would establish Nine-Mile Hole as a State Scientific Area and would prohibit operation of airboats, jet-boats, or any propeller-driven vessels in the area except under certain conditions. Because TPWD indicates the bill would codify existing administrative rules regarding the boundaries and prohibited activities within the Nine-Mile Hole area, it is assumed that the bill if adopted could be absorbed within existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
