FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

May 23, 2005

TO: Honorable David Dewhurst , Lieutenant Governor, Senate
Honorable Tom Craddick, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: SB1103 by Eltife (Relating to the powers and duties of the General Land Office and the disposition of certain unsurveyed public school land.), **Conference Committee Report**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill proposes to clarify and streamline the process of selling and leasing vacancies - areas of unsurveyed unsold public school lands, which are owned by an entity other than the State of Texas. According to the General Land Office (GLO), there would be minimal cost savings associated with the streamlining of this process. There would also, however, be some additional administrative costs. According to the GLO these costs would be able to be absorbed within existing resources.

The bill also reduces the finder's fee paid to individuals who identify a vacancy. This reduction could result in potential cost savings to the Permanent School Fund; however, these savings are not anticipated to be significant.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
