FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

April 8, 2005

TO: Honorable Jeff Wentworth, Chair, Senate Committee on Jurisprudence

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: SB1252 by Janek (Relating to the creation of an additional statutory county court in Brazoria County.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would amend Chapter 25 of the Government Code to establish a fourth county court at law in Brazoria County as of January 1, 2007. The bill would take effect on September 1, 2005.

Local Government Impact

Currently, Brazoria County has three statutory county courts; the bill would bring the total to four on January 1, 2007. The county would be responsible for the annual salaries of the court's judge, chief court coordinator, court reporter, family clerk, two prosecuting attorneys, two district attorneys support staff, and two county clerks.

The State Comptroller of Public Accounts contacted Brazoria County authorities. According to the Brazoria County Auditor, annual costs for a county court is \$634,090. Brazoria County plans to use an existing courtroom and therefore would only incur a one-time capital expenditure of \$13,250 for furniture. According to the county auditor, in fiscal year 2007 the new court, with existing courts, would generate the same amount of revenue currently generated for Brazoria County. In subsequent years the new court would generate \$325,000 for a net annual cost of \$309,090.
