

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

April 20, 2005

TO: Honorable Kenneth Armbrister, Chair, Senate Committee on Natural Resources

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: SB1665 by Eltife (Relating to outdoor burning in certain counties under the Texas Clean Air Act.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would prohibit the Texas Commission on Environmental Quality (TCEQ) from controlling or prohibiting outdoor burning of certain waste in a county with a population of less than 175,000. The burning must occur at a site used for consolidated burning of waste that is located outside a municipality and is supervised by an employee of a fire department. The bill would take effect September 1, 2005.

The requirements of the bill would result in TCEQ having to make rulemaking and guidance changes. The agency assumes these changes can be made within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
