

Amend CSHB 1, in Article VI, appropriation for Commission on Environmental Quality, by inserting the following appropriately-numbered rider and renumbering any subsequent riders accordingly:

"____. AIR QUALITY MONITORS. Out of the funds appropriated above in Strategy A.1.1, the commission shall purchase, install, operate, and maintain a minimum of twenty (20) ambient air quality monitors in non-attainment areas. These monitors shall employ technology equal to or better than automated gas chromatographs."
