

Amend CSHB 1 in Article II of the bill, on page II-49 by inserting the following language into Rider No. 25:

"Family Planning. Of funds appropriated under Strategy B.1.3, Family Planning Services, no state funds may be used to dispense prescription drugs to minors without parental consent. In addition, no state funds may be used for the distribution of materials to a woman considering an abortion if those materials state there is a possibility of increased risk of breast cancer following an induced abortion and the natural protective effect of a completed pregnancy in avoiding breast cancer."
