Report to the United States Congress on services and benefits provided to unlawfully present immigrants. The Health and Human Services Commission shall compile a report of the cost of services and benefits provided to unlawfully present immigrants, with the agency determining the extent to which unlawfully present immigrants are served by the agency, by individual program. The agency may use a statistical method developed by the agency in cases where it is not practical for the agency to directly determine whether recipients of a service or benefit are unlawfully present immigrants.

The Health and Human Services Commission shall also compile information on this subject from each public hospital district within the state and include this information in the report.

This report shall be provided to the United States Congress by December 1, 2008 and may be used as supporting materials by the State of Texas in requests for additional federal appropriations to assist with these costs.

The Health and Human Services Agency shall also submit the required report to the lieutenant governor, speaker of the house of representatives, and members of the legislature by December 1, 2008, and shall include the information in the agency's annual report for 2008.
