

Amend **HB 14**, second reading engrossment, as follows:

(1) Add the following appropriately numbered SECTIONS to the bill and renumber the subsequent SECTIONS of the bill as appropriate:

SECTION _____. Chapter 86, Health and Safety Code, is amended by amending the heading of the chapter to read as follows:

CHAPTER 86. BREAST CANCER AND LUNG CANCER

SECTION _____. Chapter 86, Health and Safety Code, is amended by adding Subchapter C to read as follows:

SUBCHAPTER C. INFORMATION ON ALTERNATIVE TREATMENTS FOR LUNG CANCER

Sec. 86.101. PURPOSE. It is the intent of the legislature that lung cancer patients have access to a standardized written summary, as provided under this subchapter, of medically efficacious and viable alternative treatments for lung cancer, which may include surgical, radiological, or chemotherapeutic treatment or combinations of those treatments.

Sec. 86.102. STANDARDIZED WRITTEN SUMMARY. (a) The department shall publish a standardized written summary, in language a patient can understand, of the advantages, disadvantages, risks, and descriptions of all medically efficacious and viable alternatives for the treatment of lung cancer.

(b) The department shall update the summary annually, if necessary, to reflect changes in the treatment of lung cancer.

(c) The advisory council shall develop the summary.

Sec. 86.103. ADVISORY COUNCIL. (a) The lung cancer advisory council is appointed by the executive commissioner of the Health and Human Services Commission.

(b) The lung cancer advisory council consists of the following three members:

(1) one member who is a physician active in the treatment of lung cancer;

(2) one member who is an advocate for lung cancer patients; and

(3) one member of the public who is a survivor of lung cancer.

Sec. 86.104. DISTRIBUTION OF SUMMARY. (a) Not later than

the 90th day after the date the department receives the standardized written summary from the advisory council, the department shall print and make available to all physicians in the state sufficient copies of the summary.

(b) A physician may distribute the summary to a patient when the physician determines in the physician's professional judgment that it is in the best interest of the patient to receive a copy of the summary.

Sec. 86.105. FUNDING. (a) The department may not expend general revenue funds for the publication or distribution of the standardized written summary.

(b) The department may provide technical assistance to the advisory council to aid in the development of the summary.

(c) The department may accept grants, donations of money or materials, and other forms of assistance from private and public sources to be used solely for the development and distribution of the summary.

(2) On page 14, between lines 23 and 24, insert the following:

(c) The members of the research and prevention programs committee must represent the geographic and cultural diversity of the state.
