

Amend **HB 54** on third reading in SECTION 1 of the bill, in added Section 17.903, Business & Commerce Code, by striking Subsection (b) and substituting the following:

(b) The prosecuting attorney in the county in which a violation of Section 17.902 occurs, with prior written notice to the attorney general, may institute and prosecute an action seeking injunctive relief under this section. The prosecuting attorney shall make a full report to the attorney general regarding any action prosecuted by the prosecuting attorney under this subsection. The report must include a statement regarding the final disposition of the matter.
