

Amend CSHB 1929 (committee printing) on page 2, line 23 following "provision of electronic paycard services." by inserting the following:

A contract under this section must be by competitive bid. The comptroller shall develop rules that specify the qualifications for bidders, including the requirements that the entity that issues the paycard must:

(1) be federally insured or possess sufficient financial resources to ensure protection of payees; and

(2) demonstrate adequate 24-hour customer service to ensure that all payees are able to reasonably access their funds worldwide at any time.
