

Amend CSHB 3275 by adding an appropriately numbered SECTION to read as follows and renumbering subsequent SECTIONS accordingly:

SECTION __. The Texas Department of Transportation and The Office of the Governor, Economic Development and Tourism Division will conduct a study involving their respective departments, the tourism industry, general aviation airports, and pilots in a review of the Texas Airport Directory and how it can be improved to contribute to tourism and economic development in Texas. The study shall consider the potential for including paid advertising and reducing or eliminating the directory fee.
