(1) the area that surrounds Falcon Lake in Zapata County is frequented for recreational purposes by residents from every part of the state;

(2) orderly development and use of the area is of concern to the entire state; and

(3) buildings in the area that are frequented for resort or recreational purposes tend to become congested and to be used in ways that interfere with the proper use of the area as a place of recreation to the detriment of the public health, safety, morals, and general welfare.

(b) The powers granted under this subchapter are for the purpose of promoting the public health, safety, peace, morals, and general welfare and encouraging the recreational use of county land.

Sec. 231.252. AREAS SUBJECT TO REGULATION. This subchapter applies only to the unincorporated area of Zapata County located within 25,000 feet of:

(1) the project boundary line for Falcon Lake; and

(2) the Rio Grande.

Sec. 231.253. FALCON LAKE PLANNING COMMISSION. (a) A lake planning commission is established for the area subject to this subchapter. The commission is composed of:

(1) four residents of Zapata County, with one resident from each of the county commissioners precincts, appointed by that precinct's commissioner; and

(2) a person, who shall serve as the commission's presiding officer, appointed by the county judge of Zapata County.

(b) Except as provided by Subsection (c), the members of the

commission shall be appointed for two-year terms that expire February 1 of each odd-numbered year.

(c) The terms of the initial members of the commission expire on February 1 of the first February in an odd-numbered year following their appointment.

(d) The commissioners court of Zapata County may employ staff for the commission to use in performing the commission's functions.

Sec. 231.254. COMMISSION STUDY AND REPORT; HEARING. (a) At the request of the commissioners court of Zapata County, the commission shall, or on the lake planning commission's own initiative, the commission may, conduct studies of the area subject to this subchapter and prepare reports to advise the commissioners court about matters affecting that area, including any need for zoning regulations in that area.

(b) Before the commission may prepare a report, the commission must hold a public hearing in which members of the public may offer testimony regarding any subject to be included in the commission's report. The commission shall provide notice of the hearing as required by the commissioners court.

Sec. 231.255. ZONING REGULATIONS. After receiving a report from the lake planning commission under Section 231.254, the commissioners court of Zapata County may adopt zoning regulations for the area subject to this subchapter and in accordance with the report that regulate:

(1) the height, number of stories, and size of buildings and other structures;

(2) the percentage of a lot that may be occupied;

(3) the size of yards, courts, and other open spaces;

(4) population density;

(5) the location and use of buildings, other structures, and land for business, industrial, residential, or other purposes; and

(6) the placement of water and sewage facilities, parks, and other public requirements.

Sec. 231.256. DISTRICTS. (a) The commissioners court may divide the area in the county that is subject to this subchapter

into districts of a number, shape, and size the court considers best for carrying out this subchapter. Within each district, the commissioners court may regulate the erection, construction, reconstruction, alteration, repair, or use of buildings, other structures, or land.

(b) The zoning regulations must be uniform for each class or kind of building in a district, but the regulations may vary from district to district. The regulations shall be adopted with reasonable consideration, among other things, for the character of each district and its peculiar suitability for particular uses, with a view of conserving the value of buildings and encouraging the most appropriate use of land throughout the area.

Sec. 231.257. ENFORCEMENT; PENALTY; REMEDIES. (a) The commissioners court may adopt orders to enforce this subchapter, any order adopted under this subchapter, or a zoning regulation.

(b) A person commits an offense if the person violates this subchapter, an order adopted under this subchapter, or a zoning regulation. An offense under this subsection is a misdemeanor, punishable by fine, imprisonment, or both, as provided by the commissioners court. The commissioners court may also provide civil penalties for a violation.

(c) If a building or other structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained or if a building, other structure, or land is used in violation of this subchapter, an order adopted under this subchapter, or a zoning regulation, the appropriate county authority, in addition to other remedies, may institute appropriate action to:

(d) Notwithstanding Section 16.343(g) or Section 16.350(a), a political subdivision may temporarily continue to receive funds under Subchapter K, Chapter 17, if the political subdivision submits a request for temporary continuation of funding and the board determines that:

(1) the political subdivision's initial funding application and any amendments for a designated area were reviewed and approved by the board before January 1, 2007;

(2) withholding funds would result in an undue hardship for occupants of the property to be served by unreasonably delaying the provision of adequate water or wastewater services;

(3) withholding funds would result in inefficient use of local, state, or federal funds under the program;

(4) the political subdivision has committed to take the necessary and appropriate actions to correct any deficiencies in adoption or enforcement of the model rules within the time designated by the board, but not later than the 90th day after the date the board makes the determinations under this subsection;

(5) the political subdivision has sufficient safeguards in place to prevent the proliferation of colonias; and

(6) during the 30 days after the date the board receives a request under this subsection, the board, after consulting with the attorney general, secretary of state, and commission, has not received an objection from any of those entities to the request for temporary continuation of funding.

(e) In applying Subsection (d) to applications for increased financial assistance, the board shall only consider areas that were included in the initial application, except that the board may reconsider the eligibility of areas that were the subject of a facility plan in the initial application and that may be determined to be eligible based on criteria in effect September 1, 2005.

(f) The political subdivision shall take necessary and

appropriate actions to correct any deficiencies in its adoption and enforcement of the model rules within the time period required by the board, not to exceed the 90-day period described by Subsection (d)(4), and provide evidence of compliance to the board. The board shall discontinue funding unless the board makes a determination based on the evidence provided that the political subdivision has demonstrated sufficient compliance to continue funding.

(g) Except as provided by Subsections (d)-(f), if the board determines that a county or city that is required to adopt and enforce the model rules is not enforcing the model rules, the board shall discontinue funding for all projects within the county or city that are funded under Subchapter K, Chapter 17.

(h) The board may not accept or grant applications for temporary funding under Subsection (d) after June 1, 2009.

(i) Subsections (d), (e), (f), (g), and (h) and this subsection expire September 1, 2009.
