

Amend Floor Amendment No. 79 by Morrison to CSSB 3 (Prefiled Amendment Packet page 202) as follows:

(1) On page 5, where appropriate, insert a new column between the first and second columns of TABLE 1 to read as follows:

HONDO INDEX

WELL LEVEL

MSL

<700

<690

<680

<677

(2) On page 7 insert the following:

(h) For purposes of determining withdrawal reduction percentages under the authority's critical period management plan adopted under Subsection (b) of this section for wells that withdraw water from the San Antonio Pool, the applicable index well is:

(1) state well #69-47-306, labeled "Hondo Index Well" in Table 1 under Subsection (b) of this section, in connection with wells located in Medina County; and

(2) Index Well J-17, in connection with wells located outside Medina County.
