(4) an affidavit of medical evaluation for the group may be based on evaluation of one or more members of the group if the physician reasonably believes that the condition of the individual or individuals represents the condition of the majority of the members of the group.

SECTION _____.05. Section 81.152, Health and Safety Code, is amended by adding Subsection (d) to read as follows:

(d) A group application must contain the following information according to the applicant's information and belief:

(a) The commissioner shall designate health care facilities throughout the state that are capable of providing services for the examination, observation, isolation, or treatment of persons having or suspected of having a communicable disease. However, the commissioner may not designate:

(2) an intermediate care facility for the mentally retarded required to be licensed under Chapter 252.

SECTION ____ .08. Section 81.162, Health and Safety Code, is amended by adding Subsections (f) and (g) to read as follows:

(f) Notwithstanding Section 81.161 or Subsection (c), a judge or magistrate may issue a temporary protective custody order before the filing of an application for a court order for the

management of a person with a communicable disease under Section 81.151 if:

(1) the judge or magistrate takes testimony that an application under Section 81.151, together with a motion for protective custody under Section 81.161, will be filed with the court on the next business day; and

(2) the judge or magistrate determines based on evidence taken under Subsection (d) that there is probable cause to believe that the person presents a substantial risk of serious harm to himself or others to the extent that the person cannot be at liberty pending the filing of the application and motion.

(g) A temporary protective custody order issued under Subsection (f) may continue only until 4 p.m. on the first business day after the date the order is issued unless the application for a court order for the management of a person with a communicable disease and a motion for protective custody, as described by Subsection (f)(1), are filed at or before that time. If the application and motion are filed at or before 4 p.m. on the first business day after the date the order is issued, the temporary protective custody order may continue for the period reasonably necessary for the court to rule on the motion for protective custody.

If the period ends on a Saturday, Sunday, or legal holiday, the hearing must be held on the next day that is not a Saturday, Sunday, or legal holiday. The judge or magistrate may postpone the hearing for an additional 24 hours if the judge or magistrate declares that an extreme emergency exists because of extremely hazardous weather conditions that threaten the safety of the person or another essential party to the hearing. If the area in which the person is found, or the area where the hearing will be held, is under a public health disaster, the judge or magistrate may postpone the hearing until the period of disaster is ended.

(d) The person and his attorney shall have an opportunity at

the hearing to appear and present evidence to challenge the allegation that the person presents a substantial risk of serious harm to himself or others. If the health authority advises the court that the person must remain in isolation or quarantine and that exposure to the judge, jurors, or the public would jeopardize the health and safety of those persons and the public health, a magistrate or a master may order that a person entitled to a hearing for a protective custody order may not appear in person and may appear only by teleconference or another means the magistrate or master finds appropriate to allow the person to speak, to interact with witnesses, and to confer with the person's attorney.

SECTION _____.10. Subsections (b) and (c), Section 81.167, Health and Safety Code, are amended to read as follows:

(c) The head of a facility shall discharge a person held under a protective custody order if:

(1) the head of the facility does not receive notice within 72 hours after detention begins, excluding Saturdays, Sundays, legal holidays, ~~and~~ the period prescribed by Section 81.165(b) for an extreme weather emergency, and the duration of a public health disaster, that a probable cause hearing was held and

the person's continued detention was authorized;

(2) a final court order for the management of a person with a communicable disease has not been entered within the time prescribed by Section 81.154; or

(3) the health authority or commissioner determines that the person no longer meets the criteria for protective custody prescribed by Section 81.162.

SECTION _____.12. Section 81.169, Health and Safety Code, is amended by adding Subsection (i) to read as follows:

(i) Notwithstanding Subsection (d), if the health authority advises the court that the person must remain in isolation or quarantine and that exposure to the judge, jurors, or the public would jeopardize the health and safety of those persons and the public health, a judge may order that a person entitled to a hearing may not appear in person and may appear only by teleconference or another means that the judge finds appropriate to allow the person to speak, to interact with witnesses, and to confer with the person's attorney.

Sec. 81.176. DESIGNATION OF FACILITY. SECTION _____.14. Section 81.177, Health and Safety Code, is amended to read as follows:

Sec. 81.177. COMMITMENT TO PRIVATE FACILITY. (a) The court may order a person committed to a private health care facility at no expense to the state if the court receives:

(2) a written agreement from the head of the private health care facility to admit the person and to accept

responsibility for the person in accordance with this chapter.

(b) Consistent with Subsection (a), the court may order a person committed to a private health care facility at no expense to the state, a county, a municipality, or a hospital district if:

(1) a state of disaster or a public health disaster has been declared or an area quarantine is imposed under Section 81.085;

(2) the health care facility is located within the disaster area or area quarantine, as applicable; and

(3) the judge determines that there is no public health care facility within the disaster area or area quarantine, as applicable, that has appropriate facilities and the capacity available to receive and treat the person.
