

Amend SB 625 as follows:

Amend Sec. 562.0142 (b) on page 1, lines 22-23 by striking "notification of and the signed informed"

Amend Sec. 562.0142 (c) on page 2, line 1 by striking subsection (c) and replacing it with the following:

(c) To comply with Subsection (b), a pharmacist shall notify a prescribing physician orally or electronically to secure permission to interchange an immunosuppressant drug or formulation of an immunosuppressant drug, brand or generic. The prescriber's authorization or denial of authorization shall be documented in writing by the pharmacist and by the prescriber.
