Committee Report (Substituted)

### **BACKGROUND AND PURPOSE**

Williamson-Liberty Hill Municipal Utility District will encompass approximately 228 acres of land in Williamson County, outside the extra-territorial jurisdiction of the City of Liberty Hill. The land to be located within the district will be developed into single family residential developments; and therefore, water, sewer, and drainage services need to be secured. It is necessary to create the municipal utility district under Chapters 49 (Provisions Applicable to All Districts) and 54 (Municipal Utility Districts), Water Code, in order to purchase, acquire, and/or construct facilities for such services to serve the future occupants of the land utilizing tax exempt bonds. C.S.H.B. 2734 provides regulations regarding the creation, administration, powers, duties, operation, and financing of the district.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
