Committee Report (Substituted)

BACKGROUND AND PURPOSE

Ledbetter Utility District No. 1 of Kaufman and Rockwall Counties (the “district”) will encompass an area of land inside the extraterritorial jurisdiction of the City of McLendon Chisholm, Texas. The land to be located within the district will be developed into single family residential and commercial development; therefore, water, sewer, drainage and road services need to be secured. It is necessary to create the district under Chapters 49 and 54, Water Code, in order to purchase, acquire, or construct facilities for such services to serve the future occupants of the land utilizing tax exempt bonds. It is also necessary to empower the district with authority to impose a tax and issue bonds; granting the power of eminent domain. C.S.H.B. 4033 provides regulations regarding the creation, administration, powers, duties, operation, and financing of the district.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

COMPARISON OF ORIGINAL TO SUBSTITUTE

The substitute version of House Bill 4033 adds to components to the bill. CSHB 4033 specifies the names of the temporary directors of the district. Also, it clarifies that the district's power of eminent domain is limited within the corporate limits of McClendon-Chisolm. The district may only practice eminent domain with the prior approval of the city.
