Committee Report (Substituted)

### **BACKGROUND AND PURPOSE**

The Gastonia-Scurry Water Supply Corporation (“GSWSC”) is a non-profit water supply corporation created under and governed by Chapter 67, Texas Water Code, for the purpose of providing retail water service in generally rural areas of Kaufman County.

GSWSC is governed by a seven (7) member Board of Directors that is elected by the members of the corporation. The area served by GSWSC is more particularly defined in Certificate of Convenience and Necessity (“CCN”) No. 10837.

GSWSC is interested in converting to a special utility district so that it may have the advantages of being a political subdivision of the state, including liability protections, ability to issue tax-exempt bonds for financing, and better insurance rates.

C.S.H.B. 4095 creates and establishes the Gastonia-Scurry Special Utility District and dissolves GSWSC.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
