### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

In the aftermath of Hurricane Katrina when law enforcement resources were stretched thin, many law-abiding Louisiana residents were subject to having their personal firearms confiscated by law enforcement. There is currently no statute or state constitutional provision protecting law-abiding Texas residents from having their firearms confiscated should Texas be subject to a disaster similar in scale to Hurricane Katrina.

S.B. 112 seeks to protect the right to bear arms during a disaster.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
