### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, a number of convictions for violent criminal offenses do not bar a person from being employed as a home care attendant. Current law provides a list of hiring prohibitions that prevent a person of certain criminal offenses from being employed to care for certain elderly or persons with disabilities.

S.B. 199 adds to the list of offenses that preclude a person from being employed to care for the elderly or disabled.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
