AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Hidalgo County, which has a population in excess of 500,000, has changed from an agrarian rural community to a rapidly expanding urban retail and manufacturing center. Irrigation District #3 (district) in Hidalgo County has less than eight percent of agricultural land being irrigated and at least 80 percent of the water is used by the City of McAllen.

C.S.S.B. 975 requires the City of McAllen to make a determination to abolish the district. The bill enables the City of McAllen to take over operation of the district and to make necessary improvements to the district.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
