AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, a judge is authorized to require a defendant to pay \$10 for a copy of his or her driving record from the Department of Public Safety (DPS). If the defendant's driving record shows that the defendant has not completed a driving safety course or motorcycle operator training course, the judge may allow the defendant to complete the appropriate course. Fees are forwarded to the comptroller of public accounts (comptroller), who then sends the money to DPS.

S.B. 1083 modifies the amount of the fee and requires the fee to be sent to the comptroller without proration.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
