AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, the Office of Rural Community Affairs (office) provides grant writing and grant compliance assistance to rural communities, hospitals, schools, or health-care providers who are attempting to find funding for a variety of projects. The 77th Legislature, Regular Session, 2001, created the Rural Foundation as a non-profit foundation because some grants prohibit a governmental entity from receiving grant money. The 78th Legislature, Regular Session, 2003, clarified that the Rural Foundation could apply for grants for economic development programs in rural areas as the original legislation intended. The executive committee of the office believes that a broader representation on the board of directors of the Rural Foundation would be helpful in fulfilling its duty of raising funds to assist in the financing of health, community, and economic development programs in the rural areas of this state.

S.B. 1128 changes the Rural Foundation name to conform with the commonly used reference to the Rural Foundation, the Texas Rural Foundation. This bill also authorizes the expansion of the current board of directors of the Texas Rural Foundation from five members to an odd number of at least nine, but not more than fifteen members.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
