S.B. 1180 amends the enabling legislation of the DeWitt Medical District to provide that the district's directors will be elected at large for staggered terms of three years. The bill removes outdated language regarding the election of the initial board of directors. S.B. 1180 amends the enabling legislation to clarify that the election of directors will be held on the uniform election date in May as provided by the Election Code. The bill further amends the legislation to provide that the board will order the election and publish notice of the election as provided by the Election Code.
