### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The eviction process in this state is very quick and short. Within six to 10 days of the day the citation is served, there is a trial, and within six days of the day of the trial, including weekends and holidays, a writ of possession on the property may be issued. It is important to provide a clear and simple notice to tenants that states that there are immediate deadlines in the eviction process and informs the tenant where to obtain legal advice.

S.B. 1483 requires that the notice which informs tenants about a suit to evict state that there are immediate deadlines and include the toll-free number to the State Bar of Texas.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to any state officer, institution, or agency.
