S.B. 1680 By: Averitt State Affairs 4/3/2007 As Filed

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Section 1131.802 (Group Life Insurance and Whole Sale, Franchise, or Employee Life Insurance), Insurance Code, authorizes, but does not require, a carrier issuing group life coverage to extend coverage to dependent children. This section defines a "dependent" to include natural or adopted children younger than 21 years of age, or older than 21 years of age if enrolled as a full-time student at an educational institution or physically or mentally disabled and under a parent's supervision.

As proposed, S.B. 1680 authorizes the extension of insurance under a group life insurance policy to an insured's natural and adopted children who are unmarried and younger than 25 years of age and eliminates the authorization for coverage for children over 21 years of age who are enrolled full-time in an educational institution.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
