

BILL ANALYSIS

S.B. 2009
By: Hinojosa
Judiciary
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Currently, the City of Corpus Christi does not have a municipal court of record. Under current law, an appeal for a case tried in a municipal court that is not a court of record must have a new trial. A municipal court of record, however, negates the necessity for an new trial because the court maintains transcripts of cases heard in the court, allowing an appeal to be based on errors of law in the initial trial.

The bill authorizes the City of Corpus Christi to create a municipal court of record and to designate Nueces County courts at law that having criminal appellate jurisdiction as the appropriate appellate courts.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
