12 benefit plan that complies with Section 223(c), Internal Revenue  
13 Code of 1986, and other federal law.

14 (2) "Participant" means an individual who is:

18 subchapter.

19 (3) "Qualified medical expense" means an expense paid  
20 by a participant for medical care, as defined by Section 213(d),

23 Revenue Code of 1986.

24 Sec. 1551.452. ESTABLISHMENT OF STATE CONSUMER-DIRECTED

1 HEALTH PLAN. (a) The state consumer-directed health plan is  
2 established for the benefit of individuals eligible to participate  
3 in the group benefits program and those individuals' eligible  
4 dependents.

5 (b) After the board of trustees adopts rules necessary to  
6 administer this subchapter, the board shall:

7 (1) establish health savings accounts under this  
8 subchapter and administer or select an administrator for the  
9 accounts;

10 (2) finance or purchase a high deductible health plan  
11 that:

12 (A) is an integral part of the state  
13 consumer-directed health plan; and

14 (B) provides health benefit coverage, including  
15 preventative health care, to a participant enrolled in the state  
16 consumer-directed health plan and to the dependents of an enrolled  
17 participant in accordance with Section 1551.456; and

18 (3) provide to individuals eligible to participate in  
19 the group benefits program information regarding the option to  
20 participate in and operation of the state consumer-directed health  
21 plan established under this subchapter.

22 (c) If the board of trustees purchases a high deductible  
23 health plan under this subchapter, Sections 1551.215-1551.218  
24 apply to the high deductible health plan.

25 (d) In adopting rules and administering health savings  
26 accounts or selecting administrators for health savings accounts  
27 under this subchapter, the board of trustees shall ensure that the

1 health savings accounts are qualified for appropriate federal tax  
2 exemptions.

3 Sec. 1551.453. STATUS OF HEALTH SAVINGS ACCOUNTS. (a) A  
4 state contribution to a health savings account or a high deductible  
5 health plan is exempt from process and is unassignable in the same  
6 manner and to the same extent as is an amount described by Section  
7 1551.011.

8 (b) The board of trustees shall give individuals eligible to  
9 participate in the basic coverage plan the option of waiving  
10 participation in the basic coverage plan and participating in the  
11 state consumer-directed health plan instead.

12 (c) For purposes of this chapter, participation in the  
13 consumer-directed health plan is considered participation in the  
14 group benefits program, and Sections 1551.301, 1551.303, 1551.305,  
15 and 1551.306 apply to participation in the consumer-directed health  
16 plan in the same manner that those sections apply to the basic  
17 coverage plan.

18 Sec. 1551.454. ACCOUNT ADMINISTRATOR. (a) The account  
19 administrator selected to administer a health savings account  
20 established under this subchapter must be a person:

21 (1) qualified to serve as trustee under Section  
22 223(d)(1)(B), Internal Revenue Code of 1986, and the rules adopted  
23 under that section; and

24 (2) experienced in administering health savings  
25 accounts or other similar trust accounts.

26 (b) An account administrator is the fiduciary of a  
27 participant who has a health savings account established under this

1 subchapter.

2 (c) Section 1551.056(b) does not apply to the account  
3 administrator.

4 Sec. 1551.455. PARTICIPATION IN PROGRAM. (a) Each  
5 individual eligible to participate in the basic coverage may choose  
6 instead to participate in the state consumer-directed health plan  
7 if the participant is an eligible individual under Section  
8 223(c)(1), Internal Revenue Code of 1986. The dependents of a  
9 participant may participate in the state consumer-directed health  
10 plan in accordance with Section 1551.456.

11 (b) A participant in the state consumer-directed health  
12 plan waives basic plan coverage and must be enrolled in a high  
13 deductible health plan.

14 (c) Participation in the state consumer-directed health  
15 plan qualifies a participant to receive a contribution to a health  
16 savings account under Section 1551.458. An individual who elects  
17 not to participate in the plan is not eligible to receive a  
18 contribution under that section.

19 (d) An individual who elects to participate in the state  
20 consumer-directed health plan is subject to Subchapter H in the  
21 same manner as an individual who participates in the basic coverage  
22 offered under the group benefits program.

23 (e) Under this section, the board of trustees has exclusive  
24 authority to determine an individual's eligibility to participate  
25 in the state consumer-directed health plan and shall adopt rules  
26 regarding eligibility to participate in the plan.

27 Sec. 1551.456. COVERAGE FOR DEPENDENTS; REQUIRED

1 CONTRIBUTIONS. (a) Subject to Subsection (d), a participant is  
2 entitled to obtain for the participant's dependents coverage in the  
3 state consumer-directed health plan in the manner determined by the  
4 board of trustees.

5 (b) The participant shall make any required additional  
6 contribution payments for the dependent coverage in the manner  
7 prescribed by the board of trustees.

8 (c) Amounts contributed by a participant under this section  
9 may be:

10 (1) used to pay the cost of coverage in the state  
11 consumer-directed health plan not paid by the state under Section  
12 1551.458(b)(1); or

13 (2) contributed as additional amounts to the health  
14 savings account provided to the participant.

15 (d) A covered dependent of a participant:

16 (1) is subject to Subchapter H in the same manner as a  
17 dependent who is covered by the basic coverage offered under the  
18 group benefits program; and

19 (2) must be a dependent for purposes of:

20 (A) Section 152, Internal Revenue Code of 1986;  
21 and

22 (B) Section 1551.004.

23 Sec. 1551.457. IDENTIFICATION CARDS FOR PARTICIPANTS. (a)  
24 The board of trustees or the account administrator, as applicable,  
25 shall issue to each participant an identification card.

26 (b) The board of trustees or the account administrator, as  
27 applicable, shall issue a duplicate identification card to each

1 participant's dependent for whom qualified medical expenses may be  
2 paid out of a health savings account established under this  
3 subchapter.

4 Sec. 1551.458. STATE CONTRIBUTION. (a) For each  
5 participant, from the state contribution that would otherwise be  
6 made for basic coverage for the participant, the state shall  
7 annually contribute:

8 (1) to a high deductible health plan provided under  
9 this subchapter, the amount that is necessary to pay the cost of  
10 coverage under the high deductible health plan and does not exceed  
11 the amount the state annually contributes for a full-time or  
12 part-time employee, as applicable, who is covered by the basic  
13 coverage; and

14 (2) to the participant's health savings account, any  
15 remainder of the state contribution after payment of coverage under  
16 Subdivision (1).

17 (b) For each participant's dependent covered under this  
18 subchapter from the state contribution that would otherwise be made  
19 for basic coverage for the dependent, the state shall annually  
20 contribute:

21 (1) to a high deductible health plan provided under  
22 this subchapter, the same percentage of the cost of coverage under  
23 the high deductible health plan as the state annually contributes  
24 for dependent coverage in the basic coverage; and

25 (2) to the participant's health savings account, as  
26 allowed under federal law, any remainder of the state contribution  
27 after payment for coverage under Subdivision (1).

1       (c) For a calendar year, the amount of state contributions  
2 under Subsections (a)(2) and (b)(2), in the aggregate, may not  
3 exceed the sum of the monthly limitations imposed by federal law for  
4 health savings accounts.

5       Sec. 1551.459. PARTICIPANT CONTRIBUTIONS. (a) Each  
6 participant, in accordance with Section 1551.305, shall contribute  
7 any amount required to cover the selected participation in the  
8 state consumer-directed health plan that exceeds the state  
9 contribution amount under Section 1551.458.

10       (b) A participant may contribute any amount allowed under  
11 federal law to the participant's health savings account in addition  
12 to receiving the state contribution under Section 1551.458.

13       (c) A participant shall make contributions under this  
14 section in the manner prescribed by the board of trustees.

15       Sec. 1551.460. COORDINATION WITH CAFETERIA PLAN. (a) The  
16 board of trustees has exclusive authority to determine the  
17 eligibility of a participant to participate in any medical flexible  
18 savings account that is part of a cafeteria plan offered under this  
19 chapter.

20       (b) The board of trustees shall adopt rules, plans, and  
21 procedures regarding:

22               (1) the eligibility of a participant to participate in  
23 any medical flexible savings account that is part of a cafeteria  
24 plan offered under this chapter; and

25               (2) the coordination of benefits provided under this  
26 subchapter and any medical flexible savings account that is part of  
27 a cafeteria plan offered under this chapter.

1       (c) The rules adopted by the board of trustees under  
2 Subsection (b) must prohibit a participant from participating in  
3 any medical flexible savings account that would disqualify the  
4 participant's health savings account from favorable tax treatment  
5 under federal law.

6       Sec. 1551.461. CONFIDENTIALITY OF RECORDS. To the extent  
7 allowed under federal law and subject to Section 1551.063, the  
8 board of trustees or the program administrator, as applicable, may  
9 disclose to a carrier information in an individual's records that  
10 the board of trustees determines is necessary to administer the  
11 state consumer-directed health plan.

12       Sec. 1551.462. ASSISTANCE. Any state agency that the board  
13 of trustees considers appropriate shall assist the board in  
14 implementing and administering this subchapter.

15       SECTION 2. The Employees Retirement System of Texas shall  
16 develop the state consumer-directed health plan to be implemented

18 including enrollment requirements, during the state fiscal  
19 biennium beginning September 1, 2007, with coverage beginning  
20 September 1, 2008.

21       SECTION 3. Not later than July 31, 2008, the Employees  
22 Retirement System of Texas shall provide written information to  
23 individuals eligible to participate in the state consumer-directed  
24 health plan under Chapter 1551, Insurance Code, as amended by this

27 by this Act.

1           SECTION 4. The Employees Retirement System of Texas shall
