(3) that does not receive an exemption under Section 11.182 or 11.1825; and

(b) The chief appraiser shall appraise the property according to the income method of appraisal under Section 23.012 using a capitalization rate of at least 13.5 percent, except as

1 provided by Subsection (c). In determining the net operating  
2 income produced by the property for purposes of this subsection,

5 (c) The chief appraiser may conduct a study of sales of  
6 comparable properties described by Subsection (a) that are located  
7 in the appraisal district to determine the appropriate  
8 capitalization rate to use in determining the market value of the  
9 property. If as a result of the study the chief appraiser  
10 determines that a capitalization rate of less than 13.5 percent is  
11 more appropriate for that purpose, the chief appraiser shall use  
12 that lesser rate.

13 (d) Not later than January 31 of each year, the appraisal  
14 district shall give public notice in the manner determined by the  
15 district, including by posting on the district's website if  
16 applicable, of the capitalization rate to be used in that year to  
17 appraise property under this section if that rate is a rate of less  
18 than 13.5 percent.

19 (e) In connection with an annual study conducted under  
20 Section 403.302, Government Code, the value of a property described  
21 by Subsection (a) that is selected for appraisal must be determined  
22 in the manner required by this section.

23 SECTION 2. This Act applies only to ad valorem taxes imposed  
24 for a tax year beginning on or after the effective date of this Act.

25 SECTION 3. This Act takes effect January 1, 2008.
