6 Sec. 244.053. NOTICE OF PROPOSED LOCATION. (a) A person  
7 who intends to construct or operate a treatment facility within  
8 1,000 feet of an affected property shall:

9 (1) notify the governing body of the municipality in  
10 which the affected property is located; and

11 (2) notify through the United States mail each owner  
12 of residential property, as determined by the most recent tax roll  
13 of the municipality, located within 1,000 feet of the proposed  
14 facility.

15 (b) A person described by Subsection (a) may post an outdoor  
16 sign at the proposed location of the treatment facility stating  
17 that the person is intending to construct or operate a chemical

21 subsection to be both in English and in a language other than  
22 English if it is likely that a substantial number of the residents  
23 in the area speak as their primary language a language other than  
24 English.

25 (c) A person must give the notice required by Subsection (a)  
26 not later than the 90th day before the date the person begins

16 and that the construction or operation of the facility is not in the  
17 best interest of the municipality. The governing body must hold the
