

AN ACT

relating to the disaster contingency fund.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 418.073, Government Code, is amended by amending Subsection (b) and adding Subsections (c) and (d) to read as follows:

(b) ~~[If the governor finds that the demands placed on funds regularly appropriated to state and local agencies are unreasonably great for coping with a particular disaster, the governor with the concurrence of the disaster emergency funding board may make funds available from the disaster contingency fund.]~~ It is the intent of the legislature that in responding to an emergency or disaster, the first recourse of state and local agencies should be to the funds regularly appropriated to those [state and local] agencies.

(c) A state agency, local government, or other eligible entity may request funding from the disaster contingency fund to pay for:

(1) extraordinary costs incurred in implementing preventive measures taken before or during an emergency; and

(2) costs incurred in repairing damage suffered during a disaster for which:

(A) the presiding officer of a municipal or county government has declared a local state of disaster for affected areas within the jurisdiction of the municipality or

1 county; and

2 (B) the governor has also declared a state of
3 disaster for the affected county or counties.

4 (d) The governor's division of emergency management shall
5 administer the disaster contingency fund and shall develop and
6 implement rules and procedures for providing emergency assistance
7 from the fund.

8 SECTION 2. This Act takes effect immediately if it receives
9 a vote of two-thirds of all the members elected to each house, as
