H.B. No. 3217

A BILL TO BE ENTITLED

AN ACT

relating to access to or from state highways

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subsection 4, Section 203.031, Texas Transportation Code, is amended to read as follows:

(4) designate locations on a controlled access highway at which access to or from the highway is permitted and determine the type and extent of access permitted at each location:

(a) determinations regarding the type and extent of access permitted at each location shall be governed exclusively by an administrative rule promulgated to implement this section. This subsection shall not supersede those ordinances, rules, orders or resolutions exempted by Section 203.032(b), Texas Transportation Code.

SECTION 2. This Act takes effect September 1, 2007.
