11 section, the Board of Trustees may, by majority vote of the whole  
12 board, make from time to time one or more of the following changes,  
13 or modifications:

14 (1) modify or change prospectively or retroactively in

6 sequentially complied with:

7 (1) the change must be approved by a qualified actuary  
8 selected by a four-fifths vote of the Board; the actuary's approval  
9 must be based on an actuarial finding that the change is supported

10 with this subsection. The Board shall submit the change for  
11 approval by the city's or town's governing body. If disapproved by  
12 the governing body, or if the governing body fails to act within  
13 sixty (60) days of presentation to the governing body, the Board, by  
14 resolution passed by a majority of the whole Board, plus one, may

12 city or town contribution rate before the increase.

13 (b) The sum of the city or town contribution rate and the
