H.B. No. 3369

A BILL TO BE ENTITLED

AN ACT

relating to the inclusion of proposed electric generating units in an amendment or revision to the state implementation plan.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 382.0173, Health and Safety Code, is amended by adding Subsection (h) to read as follows:

(h) Any revision or amendment made to the state implementation plan must include as an addendum:

(1) a list of all proposed new electric generating units that are not yet operational and for which the commission has:

(A) received permit applications under this chapter but has not yet approved or denied the permits; or

(B) issued permits under this chapter; and

(2) a description of the potential individual and cumulative effects on ambient air quality standards that will result from emissions from the proposed electric generating units once the units are operational.

SECTION 2. Section 382.0173(h), Health and Safety Code, as added by this Act, applies only to a revision or amendment to the state implementation plan submitted to the United States Environmental Protection Agency for approval on or after the effective date of this Act.

SECTION 3. This Act takes effect September 1, 2007.
