16 and limitations provided by this subchapter if the enterprise
17 project is a qualified business.

18 (b) An enterprise project is not eligible for a credit under
19 this subchapter if the enterprise project claimed a credit under
20 Subchapter Q before the repeal of that subchapter on January 1,
21 2008.

22 (c) An enterprise project that is eligible for a credit

24 credit without regard to whether the enterprise zone in which it
25 made the qualified capital investment subsequently loses its
26 designation as an enterprise zone.

27 (d) A taxable entity, other than a combined group, may not

1 claim the credit under this subchapter unless the taxable entity

4 combined group may claim the credit for each member entity that was,
5 on May 1, 2006, subject to the tax imposed by this chapter as this
6 chapter existed on that date and shall compute the amount of the
7 credit for that member as provided by this subchapter.

8 Sec. 171.818. CALCULATION OF CREDIT. (a) An enterprise
9 project that is eligible for a credit under this subchapter may, on
10 or after the later of January 1, 2008, or the date the project was

13 before January 1, 2007.

14 (b) The enterprise project may claim the entire credit
15 earned on a report originally due on or after January 1, 2008, and
16 before January 1, 2009, subject to Section 171.819.

17 Sec. 171.819. LIMITATIONS. The total credit claimed under
18 this subchapter for a report, including the amount of any
19 carryforward credit under Section 171.820, may not exceed 50
20 percent of the amount of franchise tax due for the report before any
21 other applicable tax credits.

22 Sec. 171.820. CARRYFORWARD. If an enterprise project is
23 eligible for a credit that exceeds the limitation under Section
24 171.819, the enterprise project may carry the unused credit forward
25 for not more than five consecutive reports.

26 Sec. 171.821. CERTIFICATION OF ELIGIBILITY. (a) For the
27 initial and each succeeding report in which a credit is claimed

1 under this subchapter, the enterprise project shall file with its
2 report, on a form provided by the comptroller, information that
3 sufficiently demonstrates that the enterprise project is eligible
4 for the credit.

5 (b) The burden of establishing entitlement to and the value
6 of the credit is on the enterprise project.

7 Sec. 171.822. ASSIGNMENT PROHIBITED. An enterprise project
8 may not convey, assign, or transfer the credit allowed under this
9 subchapter to another entity unless all of the assets of the
10 enterprise project are conveyed, assigned, or transferred in the
11 same transaction.

12 Sec. 171.823. BIENNIAL REPORT BY COMPTROLLER. (a) Before
13 the beginning of each regular session of the legislature, the

17 (1) the total amount of qualified capital investments
18 made by enterprise projects that claim a credit under this
19 subchapter and the average and median wages paid by those
20 enterprise projects;

21 (2) the total amount of credits applied against the
22 tax under this chapter and the amount of unused credits, including:

23 (A) the total amount of franchise tax due by
24 enterprise projects claiming a credit under this subchapter before
