26 Section 3851.106.

27 (b) A mistake in the field notes of the district contained

1 in Section 2 of the Act enacting this chapter or in copying the  
2 field notes in the legislative process does not in any way affect:

3 (1) the district's organization, existence, or  
4 validity;

5 (2) the district's right to contract, including the  
6 right to issue any type of bond or other obligation for a purpose
