10 becomes an employee of the Texas Historical Commission on the date
11 of the transfer of that site. An employee whose job is transferred
12 may not be dismissed after the transfer except for cause before the
13 first anniversary of the date of the transfer.

14 Explanation: This change is necessary to provide for the
15 transfer of certain historic sites to the Texas Historical
16 Commission, require the commission to adopt base operating plans
17 for the sites, and establish an interim study subcommittee to
18 review the base operating plans.

19 (13) House Rule 13, Section 9, is suspended to permit the
20 committee to add SECTION 56 to read as follows:

21 SECTION 56. (a) The House Committee on Culture, Recreation,
22 and Tourism shall conduct a study to determine whether this state
23 should permit the possession of nonindigenous venomous snakes and
24 nonindigenous constrictors as provided by Subchapter V, Chapter 43,
25 Parks and Wildlife Code, as added by this Act.

26 (b) The study must include:

27 (1) a comparison of laws regulating nonindigenous

1 snakes in other states;

2 (2) alternative methods of regulating the possession
3 of nonindigenous snakes;

4 (3) the economic, environmental, and other effects of
5 allowing nonindigenous snakes to be held in the state, including:

6 (A) the potential to harbor and spread diseases
7 or parasites, or other adverse effects; and

8 (B) the economic and other benefits to this state
9 that may be obtained by regulating the trade in nonindigenous
10 snakes; and

11 (4) other related matters the committee finds useful.

12 (c) Not later than November 1, 2008, the committee shall
13 report its findings to the governor, the executive directors of the
14 Parks and Wildlife Department and the Department of Agriculture,
15 and each member of the committee.

16 Explanation: This change is necessary to require a study to
17 determine whether this state should permit the possession of
18 nonindigenous venomous snakes and nonindigenous constrictors.

19 (14) House Rule 13, Section 9, is suspended to permit the
20 committee to add SECTION 58 to read as follows:

21 SECTION 58. (a) The joint legislative task force on the use
22 of the sales tax on sporting goods is composed of eight members, as
23 follows:

24 (1) two members of the House Culture, Recreation and
25 Tourism Committee, one being the chair of the committee and one
26 appointed by the speaker of the house of representatives;

27 (2) two members, each of whom must be a member of the

1 House Appropriations Committee or House Ways and Means Committee,
2 as appointed by the speaker of the house representatives;

3 (3) two members of the Senate Committee on Natural
4 Resources, one being the chair of the committee and one appointed by
5 the lieutenant governor; and

6 (4) two members of the Senate Committee on Finance,
7 appointed by the lieutenant governor.

8 (b) The speaker of the house of representatives shall
9 designate the chair of the House Committee on Culture, Recreation
10 and Tourism to serve as a joint presiding officer of the task force,
11 and the lieutenant governor shall designate another task force
12 member to serve as the other joint presiding officer.

13 (c) The task force meets at the call of the joint presiding
14 officers.

15 (d) The task force shall:

16 (1) review the items that are included in the
17 definition of "sporting goods" under Section 151.801(e), Tax Code;

18 (2) determine the amount of sales tax revenue that
19 must be generated from the sale of "sporting goods" to fund, at a
20 minimum, the appropriations made by the 80th Legislature regarding
21 state parks, local parks, historic sites, coastal management
22 programs, and water planning;

23 (3) not later than December 15, 2008, prepare and
24 present to the legislature a report that describes the findings of
25 the task force and includes recommendations regarding the specific
26 items that should be included in the definition of "sporting goods"
27 under Section 151.801(e), Tax Code in order to more evenly match the

1 revenue streams needed to cover ongoing appropriations (estimated
2 to be \$70 million per annum), net of the use of unexpended balances
3 in 2008-2009 biennium, without creating large dedicated fund
4 balances.

5 (e) It is the intent of the 80th Legislature that Section
6 151.801(c-1), Tax Code, as added by this Act, be repealed on
7 adoption of a statute implementing the recommendations of the task
8 force.

9 Explanation: This change is necessary to require a task force
10 to study the appropriate collection and distribution of the
11 sporting goods sales tax.

12 (15) House Rule 13, Section 9, is suspended to permit the
13 committee to add SECTION 59 to read as follows:

14 SECTION 59. If the Parks & Wildlife Department does not
15 receive a grant of funds from the Department of Transportation, the
16 Parks and Wildlife Department may spend no more than \$50,000 to
17 maintain a river-access point and picnic area in Zavala County that
18 is adjacent to the Nueces River and United States Highway 83
19 intersection north of La Pryor, Texas. If the Parks and Wildlife
20 Department receives a grant of funds from the Department of
21 Transportation, the Parks and Wildlife Department may not spend
22 money, other than money received under the grant, on maintenance
23 described by this section.

24 Explanation: This change is necessary to administer the use
25 of funds expended by the Parks and Wildlife Department for certain
26 projects.

27 (16) House Rule 13, Section 9, is suspended to permit the

1 committee to add SECTION 60 to read as follows:

2 SECTION 60. (a) The Parks and Wildlife Department shall
3 conduct a study of ways to improve the efficiency and ease of use of
4 the department's hunting and fishing license systems. The study
5 must:

6 (1) evaluate the efficiency of the hunting and fishing
7 license systems in effect on September 1, 2007;

8 (2) identify problems and suggest improvements to
9 those systems; and

10 (3) identify ways to increase ease of use for
11 individuals applying for a hunting or fishing license in this
12 state.

13 (b) The Parks and Wildlife Department shall complete the
14 study conducted under Subsection (a) of this section not later than
15 July 1, 2008.

16 (c) Not later than October 1, 2008, the Parks and Wildlife
17 Department shall submit to the governor, the lieutenant governor,
18 the speaker of the house of representatives, and the chair of each
19 committee of the legislature that has primary oversight
20 jurisdiction over the department a written report that summarizes
21 the findings of the study conducted under Subsection (a) of this
22 section.

23 Explanation: This change is necessary to require the Parks
24 and Wildlife Department to study the department's fishing and
25 license systems and report its findings to the legislature.
