17 2008, if:

18 (1) at least 25 percent of all students enrolled at the  
19 entity's open-enrollment charter school and administered an  
20 assessment instrument under Section 39.023(a), (c), or (l)  
21 performed satisfactorily on the assessment instrument in  
22 mathematics, as determined by averaging the school's assessment  
23 instrument results for the 2005-2006 and 2006-2007 school years;  
24 and

25 (2) at least 25 percent of all students enrolled at the  
26 entity's open-enrollment charter school and administered an  
27 assessment instrument under Section 39.023(a), (c), or (l)

1 performed satisfactorily on the assessment instrument in reading or  
2 English language arts, as applicable, as determined by averaging  
3 the school's assessment instrument results for the 2005-2006 and  
4 2006-2007 school years.

5 (d) If an eligible entity described by Subsection (a)(1)  
6 does not meet the academic performance requirements of Subsections  
7 (a)(1)(B) and (C) or Subsection (c), and the entity's  
8 open-enrollment charter school is located in a county designated by  
9 the Federal Emergency Management Agency as a disaster area that  
10 qualified for public assistance due to Hurricane Rita and was  
11 closed for 10 or more instructional days between September 21,  
12 2005, and November 3, 2005, the commissioner shall immediately  
13 grant a charter under this chapter to the entity on or before August  
14 1, 2008, if:

15 (1) at least 25 percent of all students enrolled at the  
16 entity's open-enrollment charter school and administered an  
17 assessment instrument under Section 39.023(a), (c), or (l)  
18 performed satisfactorily on the assessment instrument in  
19 mathematics as determined by averaging the school's assessment  
20 instrument results for the 2004-2005 and 2006-2007 school years;  
21 and

22 (2) at least 25 percent of all students enrolled at the  
23 entity's open-enrollment charter school and administered an  
24 assessment instrument under Section 39.023(a), (c), or (l)  
25 performed satisfactorily on the assessment instrument in reading or  
26 English language arts, as applicable, as determined by averaging  
27 the school's assessment instrument results for the 2004-2005 and

1 2006-2007 school years.

2 (e) Assessment instrument results for fewer than five  
3 students are not considered for purposes of Subsection (a)(1)(B) or  
4 (C).

5 (f) The commissioner shall determine which entities are  
6 eligible for a charter under this section as soon as practicable.

7 (g) The content and terms of a charter granted to an  
8 eligible entity under this section must be the same as those under  
9 which the entity operated under Subchapter D, Chapter 12, as that  
10 subchapter existed on January 1, 2007, except that where the terms  
11 conflict with this chapter, this chapter prevails.

12 (h) An eligible entity holding multiple charters before  
13 January 1, 2007, may not combine those charters into one charter for  
14 a public charter district but must retain each of those charters.  
15 Each charter retained under this subsection counts towards the  
16 limit imposed under Section 11A.002(c).

17 (i) Section 11A.157 does not apply to an entity granted a  
18 charter under this section.

19 (j) A decision of the commissioner under this section is not  
20 subject to an appeal to a district court.

21 (k) This section expires January 1, 2010.

22 Sec. 11A.1042. DETERMINATION OF ACCEPTABLE PERFORMANCE.

23 (a) For purposes of Section 11A.1041(a), the commissioner shall  
24 compute the percentage of students who performed satisfactorily on  
25 an assessment instrument in a manner consistent with this section.

26 (b) The commissioner may only consider the performance of a  
27 student who was enrolled as of the date for reporting enrollment for

1 the fall semester under the Public Education Information Management  
2 System (PEIMS). This subsection does not prevent the commissioner  
3 from considering the performance of a student who retakes an  
4 exit-level assessment instrument under Section 39.023(c) in grade  
5 11 or 12 regardless of whether the student was enrolled as of the  
6 date for reporting enrollment for the fall semester.

7 (c) In computing performance under this section, the  
8 commissioner must:

9 (1) add the results for third through 11th grade  
10 assessment instruments in English and third through sixth grade  
11 assessment instruments in Spanish across grade levels tested at all  
12 campuses operated by the charter holder and evaluate those results  
13 for all students;

14 (2) combine the results for third through ninth grade  
15 assessment instruments in reading and 10th and 11th grade  
16 assessment instruments in English language arts and evaluate those  
17 results as a single subject;

18 (3) separately determine student performance for  
19 reading and mathematics as a percentage equal to the sum of students  
20 who performed satisfactorily on the specific subject area  
21 assessment instrument in all grade levels tested at all campuses  
22 operated by the charter holder divided by the number of students who  
23 took the specific subject area assessment instrument in grade  
24 levels tested at all campuses operated by the charter holder; and

25 (4) include the results, as applicable, for a  
26 subsequent administration of an exit-level assessment instrument  
27 under Section 39.023(c) to a student in grade 11 or 12.

1       (d) To the extent consistent with this section, the  
2 commissioner shall use the methodology used to compute passing  
3 rates for reading and mathematics assessment instruments for  
4 purposes of determining accountability ratings under Chapter 39 for  
5 the 2006-2007 school year.

6       (e) This section expires January 1, 2010.

7       Sec. 11A.105. CHARTER GRANTED. Each charter the State  
8 Board of Education grants for a public charter district must:

9           (1) satisfy this chapter; and

10          (2) include the information that is required under  
11 Section 11A.103 consistent with the information provided in the  
12 application and any modification the board requires.

13       Sec. 11A.106. REVISION. (a) A revision of a charter of a  
14 public charter district may be made only with the approval of the  
15 commissioner.

16       (b) Not more than once each year, a public charter district  
17 may request approval to revise the maximum student enrollment  
18 described by the district's charter.

19       (c) The commissioner may not approve a charter revision that  
20 increases a public charter district's enrollment, increases the  
21 grade levels offered, increases the number of campuses, or changes  
22 the boundaries of the geographic area served by the program unless  
23 the commissioner determines that:

24           (1) the public charter district has operated one or  
25 more campuses for at least three school years;

26           (2) the public charter district is not rated  
27 accredited-warned or accredited-probation under Subchapter D,

1 Chapter 39;

2 (3) each campus operated by the charter holder of the  
3 public charter district has been rated at least academically  
4 acceptable under Subchapter D, Chapter 39, for each of its most  
5 recent three years of operation;

6 (4) no campus operated by the public charter district  
7 has been identified as needing technical assistance under Section  
8 39.1322 for its most recent two years of operation;

9 (5) the public charter district has been rated  
10 superior, above standard, standard, or the equivalent, under the  
11 financial accountability system under Subchapter I, Chapter 39; and

12 (6) the charter revision is in the best interest of  
13 students of this state.

14 (d) In making a determination under Subsection (c)(6), the  
15 commissioner shall review all available information relating to the  
16 charter holder, including the charter holder's:

17 (1) academic and financial performance;

18 (2) history of compliance with applicable laws;

19 (3) staffing, financial, and organizational data; and

20 (4) other information regarding the charter holder's  
21 capacity to successfully implement the requested charter revision.

22 (e) The commissioner may not approve a charter revision that  
23 proposes an increase in:

24 (1) a public charter district's enrollment, unless the  
25 charter holder adopts a business plan for implementing the  
26 enrollment increase that includes components identified by the  
27 commissioner; or

1           (2) the grade levels offered by a public charter  
2 district, unless the charter holder adopts an educational plan for  
3 the additional grade levels that includes components identified by  
4 the commissioner.

5           (f) The commissioner may approve a charter revision  
6 authorizing a public charter district to serve students in a  
7 geographical area that is not contiguous with the existing  
8 boundaries of the district, but may not approve a statewide  
9 geographical boundary.

10           (g) Subsections (c), (d), and (e) do not apply to a request  
11 under Subsection (b) by a public charter district operated by a  
12 governmental entity that provides instructional services within a  
13 residential detention, treatment, or adjudication facility. This  
14 subsection does not otherwise affect the commissioner's authority  
15 to grant or deny a request for a charter revision made by an entity  
16 to which this subsection applies.

17           Sec. 11A.107. BASIS FOR MODIFICATION, PLACEMENT ON  
18 PROBATION, OR REVOCATION. (a) The commissioner may modify, place  
19 on probation, or revoke the charter of a public charter district if  
20 the commissioner determines under Section 11A.108 that the charter  
21 holder:

22                   (1) committed a material violation of the charter;  
23                   (2) failed to satisfy generally accepted accounting  
24 standards of fiscal management;

25                   (3) failed to protect the health, safety, welfare, or  
26 best interests of the students enrolled at the public charter  
27 district; or

1           (4) failed to comply with this chapter or another  
2 applicable law or rule.

3           (b) The commissioner shall revoke the charter of a public  
4 charter district without a hearing if all campuses operated by the  
5 public charter district have been ordered closed under Section  
6 39.131(a) or 39.1324(d), (e), or (f).

7           Sec. 11A.108. PROCEDURE FOR MODIFICATION, PLACEMENT ON  
8 PROBATION, OR REVOCATION. (a) The commissioner shall adopt a  
9 procedure to be used for modifying, placing on probation, or  
10 revoking the charter of a public charter district under Section  
11 11A.107(a).

12           (b) The procedure adopted under Subsection (a) must provide  
13 an opportunity for a hearing to the charter holder.

14           Sec. 11A.109. APPEAL OF MODIFICATION, PLACEMENT ON  
15 PROBATION, OR REVOCATION. A charter holder may appeal a  
16 modification, placement on probation, or revocation under this  
17 subchapter only in the manner provided by the applicable procedures  
18 adopted by the commissioner under Section 11A.108. The charter  
19 holder may not otherwise appeal to the commissioner and may not  
20 appeal to a district court.

21           Sec. 11A.110. EFFECT OF REVOCATION OR SURRENDER OF CHARTER.  
22 If the commissioner revokes a charter of a public charter district,  
23 if a district is ordered closed under Chapter 39, or if a public  
24 charter district surrenders its charter, the district may not:

- 25           (1) continue to operate under this chapter; or  
26           (2) receive state funds under this chapter.

27           [Sections 11A.111-11A.150 reserved for expansion]

1 SUBCHAPTER D. GOVERNING BODIES OF CHARTER HOLDERS, PUBLIC CHARTER  
2 DISTRICTS, AND MANAGEMENT COMPANIES

3 Sec. 11A.151. RESPONSIBILITY FOR PUBLIC CHARTER DISTRICT.

4 The governing body of a charter holder is responsible for the  
5 management, operation, and accountability of the public charter  
6 district, regardless of whether the governing body delegates the  
7 governing body's powers and duties to another person.

8 Sec. 11A.152. COMPOSITION OF GOVERNING BODY OF CHARTER  
9 HOLDER. The governing body of a charter holder must be composed of  
10 at least five members.

11 Sec. 11A.153. RESTRICTIONS ON SERVING AS MEMBER OF  
12 GOVERNING BODY OF CHARTER HOLDER OR PUBLIC CHARTER DISTRICT OR AS  
13 OFFICER OR EMPLOYEE. (a) Except as provided by Subsection (b), a  
14 person may not serve as a member of the governing body of a charter  
15 holder, as a member of the governing body of a public charter  
16 district, or as an officer or employee of a public charter district  
17 if the person:

18 (1) has been convicted of a felony or a misdemeanor  
19 involving moral turpitude;

20 (2) has been convicted of an offense listed in Section  
21 37.007(a);

22 (3) has been convicted of an offense listed in Article  
23 62.001(5), Code of Criminal Procedure; or

24 (4) has a substantial interest in a management  
25 company.

26 (b) A person who has been convicted of an offense described  
27 by Subsection (a)(1), (2), or (3) may serve as a member of the

1 governing body of a charter holder, as a member of the governing  
2 body of a public charter district, or as an officer or employee of a  
3 public charter district if the commissioner determines that the  
4 person is fit to serve in that capacity. In making a determination  
5 under this subsection, the commissioner shall consider:

6 (1) the factors described by Section 53.022,  
7 Occupations Code, for determining the extent to which a conviction  
8 relates to an occupation;

9 (2) the factors described by Section 53.023,  
10 Occupations Code, for determining the fitness of a person to  
11 perform the duties and discharge the responsibilities of an  
12 occupation; and

13 (3) other appropriate factors, as determined by the  
14 commissioner.

15 (c) For purposes of Subsection (a)(4), a person has a  
16 substantial interest in a management company if the person or a  
17 relative within the third degree by consanguinity or affinity, as  
18 determined under Chapter 573, Government Code:

19 (1) has a controlling interest in the company;

20 (2) owns more than 10 percent of the voting interest in  
21 the company;

22 (3) owns more than \$25,000 of the fair market value of  
23 the company;

24 (4) has a direct or indirect participating interest by  
25 shares, stock, or otherwise, regardless of whether voting rights  
26 are included, in more than 10 percent of the profits, proceeds, or  
27 capital gains of the company;

1           (5) is a member of the board of directors or other  
2 governing body of the company;

3           (6) serves as an elected officer of the company; or

4           (7) is an employee of the company.

5           Sec. 11A.154. LIABILITY OF MEMBERS OF GOVERNING BODY OF  
6 CHARTER HOLDER. (a) Notwithstanding the Texas Non-Profit  
7 Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil  
8 Statutes), Chapter 22, Business Organizations Code, or other law,  
9 on request of the commissioner, the attorney general shall bring  
10 suit against a member of the governing body of a charter holder for  
11 breach of a fiduciary duty by the member, including misapplication  
12 of public funds.

13           (b) The attorney general may bring suit under Subsection (a)  
14 for:

15           (1) damages;

16           (2) injunctive relief; or

17           (3) any other equitable remedy determined to be  
18 appropriate by the court.

19           (c) This section is cumulative of all other remedies.

20           Sec. 11A.155. TRAINING FOR MEMBERS OF GOVERNING BODY OF  
21 CHARTER HOLDER. (a) The commissioner shall adopt rules  
22 prescribing training for members of governing bodies of charter  
23 holders.

24           (b) The rules adopted under Subsection (a) may:

25           (1) specify the minimum amount and frequency of the  
26 training;

27           (2) require the training to be provided by:

1                   (A) the agency and regional education service  
2 centers;

3                   (B) entities other than the agency and service  
4 centers, subject to approval by the commissioner; or

5                   (C) both the agency, service centers, and other  
6 entities; and

7           (3) require training to be provided concerning:

8                   (A) basic school law, including school finance;

9                   (B) health and safety issues;

10                  (C) accountability requirements related to the  
11 use of public funds; and

12                  (D) other requirements relating to  
13 accountability to the public, such as open meetings requirements  
14 under Chapter 551, Government Code, and public information  
15 requirements under Chapter 552, Government Code.

16           Sec. 11A.156. BYLAWS; ANNUAL REPORT. (a) A charter holder  
17 shall file with the commissioner a copy of its articles of  
18 incorporation and bylaws, or comparable documents if the charter  
19 holder does not have articles of incorporation or bylaws, within  
20 the period and in the manner prescribed by the commissioner.

21           (b) Each public charter district shall file annually with  
22 the commissioner the following information in a form prescribed by  
23 the commissioner:

24                  (1) the name, address, and telephone number of each  
25 officer and member of the governing body of the charter holder; and

26                  (2) the amount of annual compensation the public  
27 charter district pays to each officer and member of the governing

1 body.

2 Sec. 11A.157. QUARTERLY FINANCIAL REPORTS REQUIRED. During  
3 a public charter district's first year of operation, the charter  
4 holder shall submit quarterly financial reports to the  
5 commissioner. The commissioner by rule shall determine the form  
6 and content of the financial reports under this section.

7 Sec. 11A.158. PEIMS INFORMATION. The governing body of a  
8 public charter district shall comply with Section 42.006.

9 Sec. 11A.159. LIABILITY OF MANAGEMENT COMPANY. (a) A  
10 management company that provides management services to a public  
11 charter district is liable for damages incurred by the state or a  
12 school district as a result of the failure of the company to comply  
13 with its contractual or other legal obligation to provide services  
14 to the district.

15 (b) On request of the commissioner, the attorney general may  
16 bring suit on behalf of the state against a management company  
17 liable under Subsection (a) for:

18 (1) damages, including any state funding received by  
19 the company and any consequential damages suffered by the state;

20 (2) injunctive relief; or

21 (3) any other equitable remedy determined to be  
22 appropriate by the court.

23 (c) This section is cumulative of all other remedies and  
24 does not affect:

25 (1) the liability of a management company to the  
26 charter holder; or

27 (2) the liability of a charter holder, a member of the

1 governing body of a charter holder, or a member of the governing  
2 body of a public charter district to the state.

3 Sec. 11A.160. LOANS FROM MANAGEMENT COMPANY PROHIBITED.

4 (a) The charter holder or the governing body of a public charter  
5 district may not accept a loan from a management company that has a  
6 contract to provide management services to:

7 (1) the district; or

8 (2) another public charter district that operates  
9 under a charter granted to the charter holder.

10 (b) A charter holder or the governing body of a public  
11 charter district that accepts a loan from a management company may  
12 not enter into a contract with that management company to provide  
13 management services to the district.

14 Sec. 11A.161. CONTRACT FOR MANAGEMENT SERVICES. Any  
15 contract, including a contract renewal, between a public charter  
16 district and a management company proposing to provide management  
17 services to the district must require the management company to  
18 maintain all records related to the management services separately  
19 from any other records of the management company.

20 Sec. 11A.162. CERTAIN MANAGEMENT SERVICES CONTRACTS  
21 PROHIBITED. The commissioner may prohibit, deny renewal of,  
22 suspend, or revoke a contract between a public charter district and  
23 a management company providing management services to the district  
24 if the commissioner determines that the management company has:

25 (1) failed to provide educational or related services  
26 in compliance with the company's contractual or other legal  
27 obligation to any public charter district in this state or to any

1 other similar entity in another state;

2 (2) failed to protect the health, safety, or welfare  
3 of the students enrolled at a public charter district served by the  
4 company;

5 (3) violated this chapter or a rule adopted under this  
6 chapter; or

7 (4) otherwise failed to comply with any contractual or  
8 other legal obligation to provide services to the district.

9 [Sections 11A.163-11A.200 reserved for expansion]

10 SUBCHAPTER E. FUNDING AND FINANCIAL OPERATIONS

11 Sec. 11A.201. STATE FUNDING. (a) To the extent consistent  
12 with Subsection (c), a charter holder is entitled to receive for the  
13 public charter district funding under Chapter 42 as if the public  
14 charter district were a school district without a local share for  
15 purposes of Section 42.252 and without any local revenue ("LR") for  
16 purposes of Section 42.302. In determining funding for a public  
17 charter district, adjustments under Sections 42.102, 42.103, and  
18 42.105 and the district enrichment tax rate ("DTR") under Section  
19 42.302 are based on the average adjustment and average district  
20 enrichment tax rate for the state.

21 (b) To the extent consistent with Subsection (c), a public  
22 charter district is entitled to funds that are available to school  
23 districts from the agency or the commissioner, including grants and  
24 other discretionary funding, unless the statute authorizing the  
25 funding explicitly provides that a public charter district is not  
26 entitled to the funding.

27 (c) A charter holder is entitled to receive for a public

1 charter district funding under this section only if the holder:

2 (1) provides information for the Public Education  
3 Information Management System (PEIMS) as required by this chapter;

4 (2) submits to the commissioner appropriate fiscal and  
5 financial records as required by this chapter and the commissioner;  
6 and

7 (3) receives an annual unqualified opinion in the  
8 standard audit report filed pursuant to Section 11A.210.

9 (d) The commissioner shall suspend the funding of a charter  
10 holder that fails to comply with Subsection (c) until the  
11 commissioner determines that the charter holder is in compliance or  
12 has cured any noncompliance and has adopted adequate procedures to  
13 prevent future noncompliance.

14 (e) The commissioner may adopt rules to provide and account  
15 for state funding of public charter districts under this section. A  
16 rule adopted under this section may be similar to a provision of  
17 this code that is not similar to a provision listed in Section  
18 11A.052(b) if the commissioner determines that the rule is related  
19 to financing of public charter districts and is necessary or  
20 prudent to provide or account for state funds.

21 Sec. 11A.202. INSTRUCTIONAL FACILITIES ALLOTMENTS.

22 (a) In this section, "instructional facility" has the meaning  
23 assigned by Section 46.001.

24 (b) In accordance with this section, a charter holder is  
25 initially eligible for instructional facilities allotments for a  
26 campus of a public charter district for which the charter holder has  
27 been granted a charter if:

1           (1) the campus has for the two preceding school years  
2 been rated recognized or exemplary under Subchapter D, Chapter 39;  
3 and

4           (2) on the most recent audit of the financial  
5 operations of the district conducted pursuant to Section 11A.210,  
6 the district has satisfied generally accepted accounting standards  
7 of fiscal management as evidenced by an unqualified opinion in the  
8 standard audit report issued and filed pursuant to Section 11A.210.

9           (c) Once a public charter district campus satisfies the  
10 initial eligibility requirements under Subsection (b)(1) and  
11 receives an allotment under this section, the campus continues to  
12 remain eligible until the campus receives an accountability rating  
13 of academically acceptable for three consecutive school years under  
14 Subchapter D, Chapter 39, at which point the campus is again subject  
15 to the eligibility requirements of Subsection (b)(1).

16           (d) The commissioner annually shall review the eligibility  
17 of a public charter district campus for purposes of this section.

18           (e) Except as otherwise provided by this section, a charter  
19 holder that is eligible for an allotment under this section is  
20 entitled to an annual allotment in an amount determined by the  
21 commissioner, not to exceed \$1,000 or a different amount provided  
22 by appropriation, for each student in average daily attendance  
23 during the preceding year at a public charter district campus that  
24 satisfies the initial eligibility requirements under Subsection  
25 (b)(1).

26           (f) A charter holder who receives funds under this section  
27 may use the funds only for a public charter district campus for

1 which the funds were paid under Subsection (e) and only to:

2 (1) purchase real property on which to construct an  
3 instructional facility for the campus;

4 (2) purchase, lease, construct, expand, or renovate  
5 instructional facilities for the campus;

6 (3) pay debt service in connection with instructional  
7 facilities purchased or improved for the campus; or

8 (4) maintain and operate instructional facilities for  
9 the campus.

10 (g) A decision of the commissioner under Subsection (e) is  
11 final and may not be appealed.

12 (h) The commissioner shall by rule establish procedures to  
13 ensure that funds a charter holder claims to be using for purposes  
14 of Subsection (f)(3) are used only for that purpose.

15 Sec. 11A.203. STATUS AND USE OF FUNDS. (a) Funds received  
16 under Section 11A.201 or 11A.202 by a charter holder:

17 (1) are considered to be public funds for all purposes  
18 under state law;

19 (2) are held in trust by the charter holder for the  
20 benefit of this state and the students of the public charter  
21 district;

22 (3) may be used only for a purpose for which a school  
23 may use local funds under Section 45.105(c) in the case of funds  
24 received under Section 11A.201, and may be used only for a purpose  
25 specified under Section 11A.202(f) in the case of funds received  
26 under Section 11A.202; and

27 (4) pending their use, must be deposited into a bank,

1 as defined by Section 45.201, with which the charter holder has  
2 entered into a depository contract under Section 11A.204.

3 (b) Funds deposited under Subsection (a)(4) may be directly  
4 deposited into an account controlled by a bond trustee acting for  
5 the charter holder pursuant to a bond indenture agreement requiring  
6 direct deposit.

7 (c) The commissioner shall adopt rules for identifying  
8 public funds in accordance with Subsection (a).

9 (d) The commissioner may bring an action in district court  
10 in Travis County for injunctive or other relief to enforce this  
11 section. In identifying public funds held by a charter holder, the  
12 court shall use the criteria adopted by the commissioner under  
13 Subsection (c). Except as otherwise provided by this subsection,  
14 the court shall enter any order under this subsection concerning  
15 public funds held by the charter holder necessary to best serve the  
16 interests of the students of a public charter district. In the case  
17 of a public charter district that has ceased to operate, the court  
18 shall enter any order under this subsection concerning public funds  
19 held by the charter holder necessary to best serve the interests of  
20 this state.

21 Sec. 11A.204. DEPOSITORY CONTRACT; BOND. (a) Each bank  
22 selected as a school depository for a public charter district and  
23 the charter holder shall enter into a depository contract, bond, or  
24 other necessary instrument setting forth the duties and agreements  
25 pertaining to the depository, in a form and with the content  
26 prescribed by the State Board of Education.

27 (b) The depository bank shall attach to the contract and

1 file with the charter holder a bond in an initial amount equal to  
2 the estimated highest daily balance, determined by the charter  
3 holder, of all deposits that the charter holder will have in the  
4 depository during the term of the contract, less any applicable  
5 Federal Deposit Insurance Corporation insurance. The bond must be  
6 payable to the charter holder and must be signed by the depository  
7 bank and by a surety company authorized to engage in business in  
8 this state. The depository bank shall increase the amount of the  
9 bond if the charter holder determines the increase is necessary to  
10 adequately protect the funds of the charter holder deposited with  
11 the depository bank.

12 (c) The bond shall be conditioned on:

13 (1) the faithful performance of all duties and  
14 obligations imposed by law on the depository;

15 (2) the payment on presentation of all checks or  
16 drafts on order of the charter holder, in accordance with its orders  
17 entered by the charter holder according to law;

18 (3) the payment on demand of any demand deposit in the  
19 depository;

20 (4) the payment, after the expiration of the period of  
21 notice required, of any time deposit in the depository;

22 (5) the faithful keeping of school funds by the  
23 depository and the accounting for the funds according to law; and

24 (6) the faithful paying over to the successor  
25 depository all balances remaining in the accounts.

26 (d) The bond and the surety on the bond must be approved by  
27 the charter holder. A premium on the depository bond may not be

1 paid out of charter holder funds related to operation of the public  
2 charter district.

3 (e) The charter holder shall file a copy of the depository  
4 contract and bond with the agency.

5 (f) Instead of the bond required under Subsection (b), the  
6 depository bank may deposit or pledge, with the charter holder or  
7 with a trustee designated by the charter holder, approved  
8 securities, as defined by Section 45.201, in an amount sufficient  
9 to adequately protect the funds of the charter holder deposited  
10 with the depository bank. A depository bank may give a bond and  
11 deposit or pledge approved securities in an aggregate amount  
12 sufficient to adequately protect the funds of the charter holder  
13 deposited with the depository bank. The charter holder shall  
14 periodically designate the amount of approved securities or the  
15 aggregate amount of the bond and approved securities necessary to  
16 adequately protect the charter holder. The charter holder may not  
17 designate an amount less than the balance of charter holder funds on  
18 deposit with the depository bank from day to day, less any  
19 applicable Federal Deposit Insurance Corporation insurance. The  
20 depository bank may substitute approved securities on obtaining the  
21 approval of the charter holder. For purposes of this subsection,  
22 the approved securities are valued at their market value.

23 Sec. 11A.205. EFFECT OF ACCEPTING STATE FUNDING. A charter  
24 holder who accepts state funds under Section 11A.201 or 11A.202  
25 agrees to be subject to all requirements, prohibitions, and  
26 sanctions authorized under this chapter.

2 charter holder under Section 11A.201 or 11A.202:

3 (1) is considered to be public property for all  
4 purposes under state law;

5 (2) is held in trust by the charter holder for the  
6 benefit of this state and the students of the public charter  
7 district; and

8 (3) may be used only for a purpose for which a school  
9 district may use school district property.

10 (b) The commissioner shall:

11 (1) take possession and assume control of the property  
12 described by Subsection (a) of a public charter district that  
13 ceases to operate; and

14 (2) supervise the disposition of the property in  
15 accordance with law.

16 (c) This section does not affect the priority of a security  
17 interest in or lien on property established by a creditor in  
18 compliance with law if the security interest or lien arose in  
19 connection with the sale or lease of the property to the charter  
20 holder.

21 (d) The commissioner shall adopt rules for identifying  
22 public property in accordance with Subsection (a).

23 (e) The commissioner may bring an action in district court  
24 in Travis County for injunctive or other relief to enforce this  
25 section. In identifying public property held by a charter holder,  
26 the court shall use the criteria adopted by the commissioner under  
27 Subsection (d). Except as otherwise provided by this subsection,

1 the court shall enter any order under this subsection concerning  
2 public property held by the charter holder necessary to best serve  
3 the interests of the students of a public charter district. In the  
4 case of a public charter district that has ceased to operate, the  
5 court shall enter any order under this subsection concerning public  
6 property held by the charter holder necessary to best serve the  
7 interests of this state. The court may order title to real or  
8 personal public property held by the charter holder transferred to  
9 a trust established for the purpose of managing the property or may  
10 make other disposition of the property necessary to best serve the  
11 interests of this state.

13 DISTRICT LAND OR FACILITIES. A municipality to which a charter is

15 otherwise spend its funds to acquire land or acquire, construct,  
16 expand, or renovate school buildings or facilities and related  
17 improvements for its public charter district within the city limits  
18 of the municipality in the same manner the municipality is

20 its funds in connection with any other public works project.

21 Sec. 11A.208. TEXTBOOKS; FUNDING FOR TECHNOLOGY. A public

26 Sec. 11A.209. ANNUAL BUDGET. The governing body of a  
27 charter holder shall annually adopt a budget for the district.

1       Sec. 11A.210. ANNUAL AUDIT. The governing body of a charter

7 may be entitled, a school district that enters into an agreement  
8 with a charter school operating under a charter granted under this  
9 chapter to provide education services to a student enrolled in the  
10 school district is entitled to receive the greater of the following  
11 amounts of state funding:

12           (1) the amount the charter school would receive under  
13 Section 11A.201 if the student were enrolled in the charter school;  
14 or

15           (2) the amount to which the school district is  
16 entitled under Chapters 41 and 42 for the student.

3 school district, in an amount at least equal to \$2,000.

4 (e) Each school year, in addition to any amounts to which a

6 that participated in the program under Chapter 1579, Insurance  
7 Code, for the 2005-2006 school year is entitled to state aid in an

12 (1) a public charter district or campus;

13 (2) a charter holder; and

14 (3) a management company.

15 (b) An audit under Subsection (a) must be limited to matters  
16 directly related to the management or operation of a public charter  
17 district, including any financial, student, and administrative  
18 records.

19 (c) Unless the commissioner has specific cause to conduct an  
20 additional audit, the commissioner may not conduct more than one  
21 on-site audit of a public charter district under this section  
22 during any fiscal year, including any audit of financial, student,  
23 and administrative records. For purposes of this subsection, an  
24 audit of a charter holder or management company associated with a  
25 public charter district is not considered an audit of the district.

26 Sec. 11A.352. SUBPOENA. (a) The commissioner may issue a  
27 subpoena to compel the attendance and testimony of a witness or the

1 production of materials relevant to an audit or investigation under

4 served by any person designated by the commissioner.

5 (c) If a person fails to comply with a subpoena issued under  
6 this section, the commissioner, acting through the attorney  
7 general, may file suit to enforce the subpoena in a district court  
8 in Travis County or in the county in which the audit or  
9 investigation is conducted. The court shall order compliance with  
10 the subpoena if the court finds that good cause exists to issue the  
11 subpoena.

12 (d) This section expires September 1, 2009.

13 Sec. 11A.353. SANCTIONS. (a) The commissioner shall take  
14 any of the actions described by Subsection (b) or by Section  
15 39.131(a), to the extent the commissioner determines necessary, if  
16 a public charter district, as determined by a report issued under  
17 Section 39.076(b):

18 (1) commits a material violation of the district's  
19 charter;

20 (2) fails to satisfy generally accepted accounting

25 suspend the authority of a public charter district to operate, or  
26 take any other reasonable action the commissioner determines  
27 necessary to protect the health, safety, or welfare of students

1 enrolled at a district campus based on evidence that conditions at  
2 the district campus present a danger to the health, safety, or  
3 welfare of the students.

4 (c) After the commissioner acts under Subsection (b), the  
5 public charter district may not receive funding and may not resume  
6 operating until a determination is made that:

7 (1) despite initial evidence, the conditions at the  
8 district campus do not present a danger of material harm to the  
9 health, safety, or welfare of students; or

10 (2) the conditions at the district campus that  
11 presented a danger of material harm to the health, safety, or  
12 welfare of students have been corrected.
