4 services to persons in this state; providing penalties.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Subchapter B, Chapter 531, Government Code, is
7 amended by adding Section 531.02192 to read as follows:

8 Sec. 531.02192. FEDERALLY QUALIFIED HEALTH CENTER AND RURAL
9 HEALTH CLINIC SERVICES. (a) In this section:

10 (1) "Federally qualified health center" has the
11 meaning assigned by 42 U.S.C. Section 1396d(1)(2)(B).

12 (2) "Federally qualified health center services" has
13 the meaning assigned by 42 U.S.C. Section 1396d(1)(2)(A).

14 (3) "Rural health clinic" and "rural health clinic
15 services" have the meanings assigned by 42 U.S.C. Section
16 1396d(1)(1).

17 (b) Notwithstanding any provision of this chapter, Chapter
18 32, Human Resources Code, or any other law, the commission may not
19 provide Medicaid services to a recipient through a delivery model
20 or by enrolling the recipient in a program, including a delivery
21 model or program implemented under a waiver obtained under Section
22 1115 of the federal Social Security Act (42 U.S.C. Section 1315),
23 unless under the delivery model or program:

24 (1) the recipient has access to federally qualified

1 health center services or rural health clinic services; and

2 (2) payment for federally qualified health center
3 services or rural health clinic services is in accordance with 42
4 U.S.C. Section 1396a(bb).

5 SECTION 2. Subchapter B, Chapter 531, Government Code, is
6 amended by adding Section 531.02414 to read as follows:

7 Sec. 531.02414. BILLING COORDINATION SYSTEM. (a) The
8 commission shall, on or before March 1, 2008, contract for the
9 implementation of a billing coordination system that will, upon
10 entry in the claims system, identify within 24 hours whether
11 another entity has primary responsibility for paying the claim and
12 submit the claim to the issuer the system determines is the primary
13 payor.

14 (b) The executive commissioner shall adopt rules for the
15 purpose of enabling the system to identify an entity with primary
16 responsibility for paying a claim and establish reporting
17 requirements for any entity that may have a contractual
18 responsibility to pay for the types of services provided under the
19 Medicaid program.

20 (c) An entity that holds a permit, license, or certificate
21 of authority issued by a regulatory agency of the state must allow
22 the contractor under Subsection (a) access to databases to allow
23 the contractor to carry out the purposes of this subchapter subject
24 to the contractor's contract with the commission and rules adopted
25 under this subchapter and is subject to an administrative penalty
26 or other sanction as provided by the law applicable to the permit,
27 license, or certificate of authority for a violation by the entity

1 of a rule adopted under this subchapter.

2 (d) After June 1, 2008, no public funds shall be expended on
3 entities not in compliance with this subchapter unless a memorandum
4 of understanding is entered into between the entity and the
5 executive commissioner.

6 (e) Information obtained under this subchapter is
7 confidential. The agent may use the information only for the
8 purposes authorized under this subchapter. A person commits an
9 offense if the person knowingly uses information obtained under
10 this subchapter for any purpose not authorized under this
11 subchapter. An offense under this subsection is a Class B
12 misdemeanor.

13 SECTION 3. (a) Subchapter B, Chapter 531, Government Code,
14 is amended by adding Sections 531.094, 531.0941, 531.097, and
15 531.0971 to read as follows:

16 Sec. 531.094. PILOT PROGRAM AND OTHER PROGRAMS TO PROMOTE
17 HEALTHY LIFESTYLES. (a) The commission shall develop and
18 implement a pilot program in one region of this state under which
19 Medicaid recipients are provided positive incentives to lead
20 healthy lifestyles, including through participating in certain
21 health-related programs or engaging in certain health-conscious
22 behaviors, thereby resulting in better health outcomes for those
23 recipients.

24 (b) Except as provided by Subsection (c), in implementing
25 the pilot program, the commission may provide:

26 (1) expanded health care benefits or value-added
27 services for Medicaid recipients who participate in certain

1 programs, such as specified weight loss or smoking cessation
2 programs;

3 (2) individual health rewards accounts that allow
4 Medicaid recipients who follow certain disease management
5 protocols to receive credits in the accounts that may be exchanged
6 for health-related items specified by the commission that are not
7 covered by Medicaid; and

8 (3) any other positive incentive the commission
9 determines would promote healthy lifestyles and improve health
10 outcomes for Medicaid recipients.

11 (c) The commission shall consider similar incentive
12 programs implemented in other states to determine the most
13 cost-effective measures to implement in the pilot program under
14 this section.

15 (d) Not later than December 1, 2010, the commission shall
16 submit a report to the legislature that:

17 (1) describes the operation of the pilot program;

18 (2) analyzes the effect of the incentives provided
19 under the pilot program on the health of program participants; and

20 (3) makes recommendations regarding the continuation
21 or expansion of the pilot program.

22 (e) In addition to developing and implementing the pilot
23 program under this section, the commission may, if feasible and
24 cost-effective, develop and implement an additional incentive
25 program to encourage Medicaid recipients who are younger than 21
26 years of age to make timely health care visits under the early and
27 periodic screening, diagnosis, and treatment program. The

1 commission shall provide incentives under the program for managed
2 care organizations contracting with the commission under Chapter
3 533 and Medicaid providers to encourage those organizations and
4 providers to support the delivery and documentation of timely and
5 complete health care screenings under the early and periodic
6 screening, diagnosis, and treatment program.

7 (f) This section expires September 1, 2011.

8 Sec. 531.0941. MEDICAID HEALTH SAVINGS ACCOUNT PILOT
9 PROGRAM. (a) If the commission determines that it is
10 cost-effective and feasible, the commission shall develop and
11 implement a Medicaid health savings account pilot program that is
12 consistent with federal law to:

13 (1) encourage health care cost awareness and
14 sensitivity by adult recipients; and

15 (2) promote appropriate utilization of Medicaid
16 services by adult recipients.

17 (b) If the commission implements a pilot program under this
18 section, the commission may only include adult recipients as
19 participants in the program.

20 (c) If the commission implements a Medicaid health savings
21 account pilot program under this section, the commission shall
22 ensure that:

23 (1) participation in the pilot program is voluntary;
24 and

25 (2) a recipient who participates in the pilot program
26 may, at the recipient's option, discontinue participation in the
27 program and resume receiving benefits and services under the

1 traditional Medicaid delivery model.

2 Sec. 531.097. TAILORED BENEFIT PACKAGES FOR CERTAIN
3 CATEGORIES OF THE MEDICAID POPULATION. (a) The executive
4 commissioner may seek a waiver under Section 1115 of the federal
5 Social Security Act (42 U.S.C. Section 1315) to develop and,
6 subject to Subsection (c), implement tailored benefit packages
7 designed to:

8 (1) provide Medicaid benefits that are customized to
9 meet the health care needs of recipients within defined categories
10 of the Medicaid population through a defined system of care;

11 (2) improve health outcomes for those recipients;

12 (3) improve those recipients' access to services;

13 (4) achieve cost containment and efficiency; and

14 (5) reduce the administrative complexity of
15 delivering Medicaid benefits.

16 (b) The commission:

17 (1) shall develop a tailored benefit package that is
18 customized to meet the health care needs of Medicaid recipients who
19 are children with special health care needs, subject to approval of
20 the waiver described by Subsection (a); and

21 (2) may develop tailored benefit packages that are
22 customized to meet the health care needs of other categories of
23 Medicaid recipients.

24 (c) If the commission develops tailored benefit packages
25 under Subsection (b)(2), the commission shall submit a report to
26 the standing committees of the senate and house of representatives
27 having primary jurisdiction over the Medicaid program that

1 specifies, in detail, the categories of Medicaid recipients to
2 which each of those packages will apply and the services available
3 under each package. The commission may not implement a package
4 developed under Subsection (b)(2) before September 1, 2009.

5 (d) Except as otherwise provided by this section and subject
6 to the terms of the waiver authorized by this section, the
7 commission has broad discretion to develop the tailored benefit
8 packages under this section and determine the respective categories
9 of Medicaid recipients to which the packages apply in a manner that
10 preserves recipients' access to necessary services and is
11 consistent with federal requirements.

12 (e) Each tailored benefit package developed under this
13 section must include:

14 (1) a basic set of benefits that are provided under all
15 tailored benefit packages; and

16 (2) to the extent applicable to the category of
17 Medicaid recipients to which the package applies:

18 (A) a set of benefits customized to meet the
19 health care needs of recipients in that category; and

20 (B) services to integrate the management of a
21 recipient's acute and long-term care needs, to the extent feasible.

22 (f) In addition to the benefits required by Subsection (e),
23 a tailored benefit package developed under this section that
24 applies to Medicaid recipients who are children must provide at
25 least the services required by federal law under the early and
26 periodic screening, diagnosis, and treatment program.

27 (g) A tailored benefit package developed under this section

1 may include any service available under the state Medicaid plan or
2 under any federal Medicaid waiver, including any preventive health
3 or wellness service.

4 (g-1) A tailored benefit package implemented under this
5 section may not reduce the scope of benefits that were available
6 under the Medicaid state plan immediately before September 1, 2007,
7 to the category of Medicaid recipients to which the package
8 applies.

9 (h) In developing the tailored benefit packages, the
10 commission shall consider similar benefit packages established in
11 other states as a guide.

12 (i) The executive commissioner, by rule, shall define each
13 category of recipients to which a tailored benefit package applies
14 and a mechanism for appropriately placing recipients in specific
15 categories. Recipient categories must include children with
16 special health care needs and may include:

- 17 (1) persons with disabilities or special health needs;
- 18 (2) elderly persons;
- 19 (3) children without special health care needs; and
- 20 (4) working-age parents and caretaker relatives.

21 (j) This section does not apply to a tailored benefit
22 package or similar package of benefits implemented before September
23 1, 2007.

24 Sec. 531.0971. TAILORED BENEFIT PACKAGES FOR NON-MEDICAID
25 POPULATIONS. (a) The commission shall identify state or federal
26 non-Medicaid programs that provide health care services to persons
27 whose health care needs could be met by providing customized

1 benefits through a system of care that is used under a Medicaid
2 tailored benefit package implemented under Section 531.097.

3 (b) If the commission determines that it is feasible and to
4 the extent permitted by federal and state law, the commission
5 shall:

6 (1) provide the health care services for persons
7 identified under Subsection (a) through the applicable Medicaid
8 tailored benefit package; and

9 (2) if appropriate or necessary to provide the
10 services as required by Subdivision (1), develop and implement a
11 system of blended funding methodologies to provide the services in
12 that manner.

13 (b) Not later than September 1, 2008, the Health and Human
14 Services Commission shall implement the pilot program under Section
15 531.094, Government Code, as added by this section.

16 SECTION 4. (a) Subchapter C, Chapter 531, Government Code,
17 is amended by adding Section 531.1112 to read as follows:

18 Sec. 531.1112. STUDY CONCERNING INCREASED USE OF TECHNOLOGY
19 TO STRENGTHEN FRAUD DETECTION AND DETERRENCE; IMPLEMENTATION.

20 (a) The commission and the commission's office of inspector
21 general shall jointly study the feasibility of increasing the use
22 of technology to strengthen the detection and deterrence of fraud
23 in the state Medicaid program. The study must include the
24 determination of the feasibility of using technology to verify a
25 person's citizenship and eligibility for coverage.

26 (b) The commission shall implement any methods the
27 commission and the commission's office of inspector general

1 determine are effective at strengthening fraud detection and
2 deterrence.

3 (b) Not later than December 1, 2008, the Health and Human
4 Services Commission shall submit to the legislature a report
5 detailing the findings of the study required by Section 531.1112,
6 Government Code, as added by this section. The report must include
7 a description of any method described by Subsection (b), Section
8 531.1112, Government Code, as added by this section, that the
9 commission has implemented or intends to implement.

10 SECTION 5. (a) Chapter 531, Government Code, is amended by
11 adding Subchapter N to read as follows:

12 SUBCHAPTER N. TEXAS HEALTH OPPORTUNITY POOL

13 Sec. 531.501. DIRECTION TO OBTAIN FEDERAL WAIVER FOR POOLED
14 FUNDS. (a) The executive commissioner may seek a waiver under
15 Section 1115 of the federal Social Security Act (42 U.S.C. Section
16 1315) to the state Medicaid plan to allow the commission to more
17 efficiently and effectively use federal money paid to this state
18 under various programs to defray costs associated with providing
19 uncompensated health care in this state by:

20 (1) depositing that federal money and, to the extent
21 necessary, state money, into a pooled fund established in the state
22 treasury outside the general revenue fund; and

23 (2) using the money for purposes consistent with this
24 subchapter.

25 (b) The federal money the executive commissioner may seek
26 approval to pool includes:

27 (1) money provided under the disproportionate share

1 hospitals and upper payment limit supplemental payment programs,
2 other than money provided under the disproportionate share
3 hospitals supplemental payment program to state-owned and operated
4 hospitals;

5 (2) money provided by the federal government in lieu
6 of some or all of the payments under those programs;

7 (3) any combination of funds authorized to be pooled
8 by Subdivisions (1) and (2); and

9 (4) any other money available for that purpose,
10 including federal money and money identified under Subsection (c).

11 (c) The commission shall seek to optimize federal funding
12 by:

13 (1) identifying health care related state and local
14 funds and program expenditures that, before September 1, 2007, are
15 not being matched with federal money; and

16 (2) exploring the feasibility of:

17 (A) certifying or otherwise using those funds and
18 expenditures as state expenditures for which this state may receive
19 federal matching money; and

20 (B) pooling federal matching money received as
21 provided by Paragraph (A) with other federal money pooled under
22 Subsection (b), or substituting that federal matching money for
23 federal money that otherwise would be received under the
24 disproportionate share hospitals and upper payment limit
25 supplemental payment programs as a match for local funds received
26 by this state through intergovernmental transfers.

27 (d) The terms of a waiver approved under this section must:

1 (1) include safeguards to ensure that the total amount
2 of federal money in the pooled fund and any federal money provided
3 under the disproportionate share hospitals and upper payment limit
4 supplemental payment programs that is not included in the pooled
5 fund is, for a particular state fiscal year, at least equal to the
6 greater of the annualized amount provided to this state under those
7 supplemental payment programs during state fiscal year 2007,
8 excluding amounts provided during that state fiscal year that are
9 retroactive payments, or the state fiscal years during which the
10 waiver is in effect; and

11 (2) allow for the development by this state of a
12 methodology for allocating money in the pooled fund to:

13 (A) offset, in part, the uncompensated health
14 care costs incurred by hospitals;

15 (B) reduce the number of persons in this state
16 who do not have health benefits coverage; and

17 (C) maintain and enhance the community public
18 health infrastructure provided by hospitals.

19 (e) In a waiver under this section, the executive
20 commissioner shall seek to:

21 (1) obtain maximum flexibility with respect to using
22 the money in the pooled fund for purposes consistent with this
23 subchapter;

24 (2) include an annual adjustment to the aggregate caps
25 under the upper payment limit supplemental payment program to
26 account for inflation, population growth, and other appropriate
27 demographic factors that affect the ability of residents of this

1 state to obtain health benefits coverage;

2 (3) ensure, for the term of the waiver, that the
3 aggregate caps under the upper payment limit supplemental payment
4 program for each of the three classes of hospitals are not less than
5 the aggregate caps that applied during state fiscal year 2007; and

6 (4) to the extent allowed by federal rule, federal
7 regulations, and federal waiver authority, preserve existing
8 resources funded by intergovernmental transfer or certified public
9 expenditure that are used to optimize Medicaid payments to safety
10 net hospitals for uncompensated care, unless the need for the
11 resources is revised through measures that reduce the Medicaid
12 shortfall or uncompensated care costs.

13 (f) The executive commissioner shall seek broad-based
14 stakeholder input in the development of the waiver under this
15 section and shall provide information to stakeholders regarding the
16 terms and components of the waiver for which the executive
17 commissioner seeks federal approval.

18 (g) The executive commissioner shall seek the advice of the
19 Legislative Budget Board before finalizing the terms and conditions
20 of the negotiated waiver.

21 Sec. 531.502. ESTABLISHMENT OF TEXAS HEALTH OPPORTUNITY
22 POOL. Subject to approval of the waiver authorized by Section
23 531.501, the Texas health opportunity pool is established in
24 accordance with the terms of that waiver as an account in the state
25 treasury outside the general revenue fund. Money in the pool may be
26 used only for purposes consistent with this subchapter and the
27 terms of the waiver.

1 Sec. 531.503. USE OF TEXAS HEALTH OPPORTUNITY POOL IN
2 GENERAL; RULES FOR ALLOCATION. (a) Except as otherwise provided
3 by the terms of a waiver authorized by Section 531.501, money in the
4 Texas health opportunity pool may be used:

5 (1) subject to Section 531.504, to provide
6 reimbursements to health care providers that:

7 (A) are based on the providers' costs related to
8 providing uncompensated care; and

9 (B) compensate the providers for at least a
10 portion of those costs;

11 (2) to reduce the number of persons in this state who
12 do not have health benefits coverage;

13 (3) to reduce the need for uncompensated health care
14 provided by hospitals in this state; and

15 (4) for any other purpose specified by this subchapter
16 or the waiver.

17 (b) On approval of the waiver, the executive commissioner
18 shall:

19 (1) seek input from a broad base of stakeholder
20 representatives on the development of rules with respect to, and
21 the implementation of, the pool; and

22 (2) by rule develop a methodology for allocating money
23 in the pool that is consistent with the terms of the waiver.

24 Sec. 531.504. REIMBURSEMENTS FOR UNCOMPENSATED HEALTH CARE
25 COSTS. (a) Except as otherwise provided by the terms of a waiver
26 authorized by Section 531.501 and subject to Subsections (b) and
27 (c), money in the Texas health opportunity pool may be allocated to

1 hospitals in this state and political subdivisions of this state to
2 defray the costs of providing uncompensated health care in this
3 state.

4 (b) To be eligible for money from the pool under this
5 section, a hospital or political subdivision must use a portion of
6 the money to implement strategies that will reduce the need for
7 uncompensated inpatient and outpatient care, including care
8 provided in a hospital emergency room. Strategies that may be
9 implemented by a hospital or political subdivision, as applicable,
10 include:

11 (1) fostering improved access for patients to primary
12 care systems or other programs that offer those patients medical
13 homes, including the following programs:

14 (A) three share or multiple share programs;

15 (B) programs to provide premium subsidies for
16 health benefits coverage; and

17 (C) other programs to increase access to health
18 benefits coverage; and

19 (2) creating health care systems efficiencies, such as
20 using electronic medical records systems.

21 (c) The allocation methodology adopted by the executive
22 commissioner under Section 531.503(b) must specify the percentage
23 of the money from the pool allocated to a hospital or political
24 subdivision that the hospital or political subdivision must use for
25 strategies described by Subsection (b).

26 Sec. 531.505. INCREASING ACCESS TO HEALTH BENEFITS
27 COVERAGE. (a) Except as otherwise provided by the terms of a

1 waiver authorized by Section 531.501, money in the Texas health
2 opportunity pool that is available to reduce the number of persons
3 in this state who do not have health benefits coverage or to reduce
4 the need for uncompensated health care provided by hospitals in
5 this state may be used for purposes relating to increasing access to
6 health benefits coverage for low-income persons, including:

7 (1) providing premium payment assistance to those
8 persons through a premium payment assistance program developed
9 under this section;

10 (2) making contributions to health savings accounts
11 for those persons; and

12 (3) providing other financial assistance to those
13 persons through alternate mechanisms established by hospitals in
14 this state or political subdivisions of this state that meet
15 certain criteria, as specified by the commission.

16 (b) The commission and the Texas Department of Insurance
17 shall jointly develop a premium payment assistance program designed
18 to assist persons described by Subsection (a) in obtaining and
19 maintaining health benefits coverage. The program may provide
20 assistance in the form of payments for all or part of the premiums
21 for that coverage. In developing the program, the executive
22 commissioner shall adopt rules establishing:

23 (1) eligibility criteria for the program;

24 (2) the amount of premium payment assistance that will
25 be provided under the program;

26 (3) the process by which that assistance will be paid;
27 and

1 (4) the mechanism for measuring and reporting the
2 number of persons who obtained health insurance or other health
3 benefits coverage as a result of the program.

4 (c) The commission shall implement the premium payment
5 assistance program developed under Subsection (b), subject to
6 appropriations for that purpose.

7 Sec. 531.506. INFRASTRUCTURE IMPROVEMENTS. (a) Except as
8 otherwise provided by the terms of a waiver authorized by Section
9 531.501 and subject to Subsection (c), money in the Texas health
10 opportunity pool may be used for purposes related to developing and
11 implementing initiatives to improve the infrastructure of local
12 provider networks that provide services to Medicaid recipients and
13 low-income uninsured persons in this state.

14 (b) Infrastructure improvements under this section may
15 include developing and implementing a system for maintaining
16 medical records in an electronic format.

17 (c) Not more than 10 percent of the total amount of the money
18 in the pool used in a state fiscal year for purposes other than
19 providing reimbursements to hospitals for uncompensated health
20 care may be used for infrastructure improvements described by
21 Subsection (b).

22 (b) If the executive commissioner of the Health and Human
23 Services Commission obtains federal approval for a waiver under
24 Section 531.501, Government Code, as added by this Act, the
25 executive commissioner shall submit a report to the Legislative
26 Budget Board that outlines the components and terms of that waiver
27 as soon as possible after federal approval is granted.

1 SECTION 6. (a) Chapter 531, Government Code, is amended by
2 adding Subchapter O to read as follows:

3 SUBCHAPTER O. UNCOMPENSATED HOSPITAL CARE

4 Sec. 531.551. UNCOMPENSATED HOSPITAL CARE REPORTING AND
5 ANALYSIS. (a) The executive commissioner shall adopt rules
6 providing for:

7 (1) a standard definition of "uncompensated hospital
8 care";

9 (2) a methodology to be used by hospitals in this state
10 to compute the cost of that care that incorporates the standard set
11 of adjustments described by Section 531.552(g)(4); and

12 (3) procedures to be used by those hospitals to report
13 the cost of that care to the commission and to analyze that cost.

14 (b) The rules adopted by the executive commissioner under
15 Subsection (a)(3) may provide for procedures by which the
16 commission may periodically verify the completeness and accuracy of
17 the information reported by hospitals.

18 (c) The commission shall notify the attorney general of a
19 hospital's failure to report the cost of uncompensated care on or
20 before the date the report was due in accordance with rules adopted
21 under Subsection (a)(3). On receipt of the notice, the attorney
22 general shall impose an administrative penalty on the hospital in
23 the amount of \$1,000 for each day after the date the report was due
24 that the hospital has not submitted the report, not to exceed
25 \$10,000.

26 (d) If the commission determines through the procedures
27 adopted under Subsection (b) that a hospital submitted a report

1 with incomplete or inaccurate information, the commission shall
2 notify the hospital of the specific information the hospital must
3 submit and prescribe a date by which the hospital must provide that
4 information. If the hospital fails to submit the specified
5 information on or before the date prescribed by the commission, the
6 commission shall notify the attorney general of that failure. On
7 receipt of the notice, the attorney general shall impose an
8 administrative penalty on the hospital in an amount not to exceed
9 \$10,000. In determining the amount of the penalty to be imposed,
10 the attorney general shall consider:

11 (1) the seriousness of the violation;

12 (2) whether the hospital had previously committed a
13 violation; and

14 (3) the amount necessary to deter the hospital from
15 committing future violations.

16 (e) A report by the commission to the attorney general under
17 Subsection (c) or (d) must state the facts on which the commission
18 based its determination that the hospital failed to submit a report
19 or failed to completely and accurately report information, as
20 applicable.

21 (f) The attorney general shall give written notice of the
22 commission's report to the hospital alleged to have failed to
23 comply with a requirement. The notice must include a brief summary
24 of the alleged violation, a statement of the amount of the
25 administrative penalty to be imposed, and a statement of the
26 hospital's right to a hearing on the alleged violation, the amount
27 of the penalty, or both.

1 (g) Not later than the 20th day after the date the notice is
2 sent under Subsection (f), the hospital must make a written request
3 for a hearing or remit the amount of the administrative penalty to
4 the attorney general. Failure to timely request a hearing or remit
5 the amount of the administrative penalty results in a waiver of the
6 right to a hearing under this section. If the hospital timely
7 requests a hearing, the attorney general shall conduct the hearing
8 in accordance with Chapter 2001, Government Code. If the hearing
9 results in a finding that a violation has occurred, the attorney
10 general shall:

11 (1) provide to the hospital written notice of:

12 (A) the findings established at the hearing; and

13 (B) the amount of the penalty; and

14 (2) enter an order requiring the hospital to pay the
15 amount of the penalty.

16 (h) Not later than the 30th day after the date the hospital
17 receives the order entered by the attorney general under Subsection
18 (g), the hospital shall:

19 (1) pay the amount of the administrative penalty;

20 (2) remit the amount of the penalty to the attorney
21 general for deposit in an escrow account and file a petition for
22 judicial review contesting the occurrence of the violation, the
23 amount of the penalty, or both; or

24 (3) without paying the amount of the penalty, file a
25 petition for judicial review contesting the occurrence of the
26 violation, the amount of the penalty, or both and file with the
27 court a sworn affidavit stating that the hospital is financially

1 unable to pay the amount of the penalty.

2 (i) The attorney general's order is subject to judicial
3 review as a contested case under Chapter 2001, Government Code.

4 (j) If the hospital paid the penalty and on review the court
5 does not sustain the occurrence of the violation or finds that the
6 amount of the administrative penalty should be reduced, the
7 attorney general shall remit the appropriate amount to the hospital
8 not later than the 30th day after the date the court's judgment
9 becomes final.

10 (k) If the court sustains the occurrence of the violation:

11 (1) the court:

12 (A) shall order the hospital to pay the amount of
13 the administrative penalty; and

14 (B) may award to the attorney general the
15 attorney's fees and court costs incurred by the attorney general in
16 defending the action; and

17 (2) the attorney general shall remit the amount of the
18 penalty to the comptroller for deposit in the general revenue fund.

19 (l) If the hospital does not pay the amount of the
20 administrative penalty after the attorney general's order becomes
21 final for all purposes, the attorney general may enforce the
22 penalty as provided by law for legal judgments.

23 Sec. 531.552. WORK GROUP ON UNCOMPENSATED HOSPITAL CARE.

24 (a) In this section, "work group" means the work group on
25 uncompensated hospital care.

26 (b) The executive commissioner shall establish the work
27 group on uncompensated hospital care to assist the executive

1 commissioner in developing rules required by Section 531.551 by
2 performing the functions described by Subsection (g).

3 (c) The executive commissioner shall determine the number

6 of the attorney general and the hospital industry. A member of the
7 work group serves at the will of the executive commissioner.

8 (d) The executive commissioner shall designate a member of
9 the work group to serve as presiding officer. The members of the
10 work group shall elect any other necessary officers.

11 (e) The work group shall meet at the call of the executive
12 commissioner.

13 (f) A member of the work group may not receive compensation
14 for serving on the work group but is entitled to reimbursement for
15 travel expenses incurred by the member while conducting the
16 business of the work group as provided by the General
17 Appropriations Act.

18 (g) The work group shall study and advise the executive
19 commissioner in:

20 (1) identifying the number of different reports
21 required to be submitted to the state that address uncompensated
22 hospital care, care for low-income uninsured persons in this state,
23 or both;

24 (2) standardizing the definitions used to determine
25 uncompensated hospital care for purposes of those reports;

26 (3) improving the tracking of hospital charges, costs,
27 and adjustments as those charges, costs, and adjustments relate to

1 identifying uncompensated hospital care and maintaining a
2 hospital's tax-exempt status;

3 (4) developing and applying a standard set of
4 adjustments to a hospital's initial computation of the cost of
5 uncompensated hospital care that account for all funding streams
6 that:

7 (A) are not patient-specific; and

8 (B) are used to offset the hospital's initially
9 computed amount of uncompensated care;

10 (5) developing a standard and comprehensive center for
11 data analysis and reporting with respect to uncompensated hospital
12 care; and

13 (6) analyzing the effect of the standardization of the
14 definition of uncompensated hospital care and the computation of
15 its cost, as determined in accordance with the rules adopted by the
16 executive commissioner, on the laws of this state, and analyzing
17 potential legislation to incorporate the changes made by the
18 standardization.

19 (b) The executive commissioner of the Health and Human
20 Services Commission shall:

21 (1) establish the work group on uncompensated hospital
22 care required by Section 531.552, Government Code, as added by this
23 section, not later than October 1, 2007; and

24 (2) adopt the rules required by Section 531.551,
25 Government Code, as added by this section, not later than March 1,
26 2008.

27 (c) The executive commissioner of the Health and Human

1 Services Commission shall review the methodology used under the
2 Medicaid disproportionate share hospitals supplemental payment
3 program to compute low-income utilization costs to ensure that the
4 Medicaid disproportionate share methodology is consistent with the
5 standardized adjustments to uncompensated care costs described by
6 Subdivision (4), Subsection (g), Section 531.552, Government Code,
7 as added by this Act, and adopted by the executive commissioner.

8 SECTION 7. (a) Subchapter A, Chapter 533, Government Code,
9 is amended by adding Section 533.019 to read as follows:

10 Sec. 533.019. VALUE-ADDED SERVICES. The commission shall
11 actively encourage managed care organizations that contract with
12 the commission to offer benefits, including health care services or
13 benefits or other types of services, that:

14 (1) are in addition to the services ordinarily covered
15 by the managed care plan offered by the managed care organization;
16 and

17 (2) have the potential to improve the health status of
18 enrollees in the plan.

19 (b) The changes in law made by Section 533.019, Government
20 Code, as added by this Act, apply to a contract between the Health
21 and Human Services Commission and a managed care organization under
22 Chapter 533, Government Code, that is entered into or renewed on or
23 after the effective date of this section. The commission shall seek
24 to amend contracts entered into with managed care organizations
25 under that chapter before the effective date of this Act to
26 authorize those managed care organizations to offer value-added
27 services to enrollees in accordance with Section 533.019,

1 Government Code, as added by this section.

2 SECTION 8. Subchapter B, Chapter 32, Human Resources Code,
3 is amended by adding Section 32.0214 to read as follows:

4 Sec. 32.0214. DESIGNATIONS OF PRIMARY CARE PHYSICIAN BY
5 CERTAIN RECIPIENTS. (a) If the department determines that it is
6 cost-effective and feasible and subject to Subsection (b), the
7 department shall require each recipient of medical assistance to
8 designate a primary care physician with whom the recipient will
9 have a continuous, ongoing professional relationship and who will
10 manage and coordinate all aspects of the recipient's health care.

11 (b) A recipient who receives medical assistance through a
12 Medicaid managed care model or arrangement under Chapter 533,
13 Government Code, that requires the designation of a primary care
14 physician shall designate the recipient's primary care physician as
15 required by that model or arrangement.

16 SECTION 9. Section 32.0422, Human Resources Code, is
17 amended to read as follows:

18 Sec. 32.0422. HEALTH INSURANCE PREMIUM PAYMENT
19 REIMBURSEMENT PROGRAM FOR MEDICAL ASSISTANCE RECIPIENTS. (a) In
20 this section:

21 (1) "Commission" ["Department"] means the Health and
22 Human Services Commission [Texas Department of Health].

23 (2) "Executive commissioner" means the executive
24 commissioner of the Health and Human Services Commission.

25 (3) "Group health benefit plan" means a plan described
26 by Section 1207.001, Insurance Code.

27 (b) The commission [~~department~~] shall identify individuals,

1 otherwise entitled to medical assistance, who are eligible to
2 enroll in a group health benefit plan. The commission [~~department~~]
3 must include individuals eligible for or receiving health care
4 services under a Medicaid managed care delivery system.

5 (b-1) To assist the commission in identifying individuals
6 described by Subsection (b):

7 (1) the commission shall include on an application for
8 medical assistance and on a form for recertification of a
9 recipient's eligibility for medical assistance:

10 (A) an inquiry regarding whether the applicant or
11 recipient, as applicable, is eligible to enroll in a group health
12 benefit plan; and

13 (B) a statement informing the applicant or
14 recipient, as applicable, that reimbursements for required
15 premiums and cost-sharing obligations under the group health
16 benefit plan may be available to the applicant or recipient; and

17 (2) not later than the 15th day of each month, the
18 office of the attorney general shall provide to the commission the
19 name, address, and social security number of each newly hired
20 employee reported to the state directory of new hires operated
21 under Chapter 234, Family Code, during the previous calendar month.

22 (c) The commission [~~department~~] shall require an individual
23 requesting medical assistance or a recipient, during the
24 recipient's eligibility recertification review, to provide
25 information as necessary relating to any [~~the availability of a~~]
26 group health benefit plan that is available to the individual or
27 recipient through an employer of the individual or recipient or an

1 employer of the individual's or recipient's spouse or parent to
2 assist the commission in making the determination required by
3 Subsection (d).

4 (d) For an individual identified under Subsection (b), the
5 commission [~~department~~] shall determine whether it is
6 cost-effective to enroll the individual in the group health benefit
7 plan under this section.

8 (e) If the commission [~~department~~] determines that it is
9 cost-effective to enroll the individual in the group health benefit
10 plan, the commission [~~department~~] shall:

11 (1) require the individual to apply to enroll in the
12 group health benefit plan as a condition for eligibility under the
13 medical assistance program; and

14 (2) provide written notice to the issuer of the group
15 health benefit plan in accordance with Chapter 1207, Insurance
16 Code.

17 (e-1) This subsection applies only to an individual who is
18 identified under Subsection (b) as being eligible to enroll in a
19 group health benefit plan offered by the individual's employer. If
20 the commission determines under Subsection (d) that enrolling the
21 individual in the group health benefit plan is not cost-effective,
22 but the individual prefers to enroll in that plan instead of
23 receiving benefits and services under the medical assistance
24 program, the commission, if authorized by a waiver obtained under
25 federal law, shall:

26 (1) allow the individual to voluntarily opt out of
27 receiving services through the medical assistance program and

1 enroll in the group health benefit plan;

2 (2) consider that individual to be a recipient of
3 medical assistance; and

4 (3) provide written notice to the issuer of the group
5 health benefit plan in accordance with Chapter 1207, Insurance
6 Code.

7 (f) Except as provided by Subsection (f-1), the commission
8 [~~The department~~] shall provide for payment of:

9 (1) the employee's share of required premiums for
10 coverage of an individual enrolled in the group health benefit
11 plan; and

12 (2) any deductible, copayment, coinsurance, or other
13 cost-sharing obligation imposed on the enrolled individual for an
14 item or service otherwise covered under the medical assistance
15 program.

16 (f-1) For an individual described by Subsection (e-1) who
17 enrolls in a group health benefit plan, the commission shall
18 provide for payment of the employee's share of the required
19 premiums, except that if the employee's share of the required
20 premiums exceeds the total estimated Medicaid costs for the
21 individual, as determined by the executive commissioner, the
22 individual shall pay the difference between the required premiums
23 and those estimated costs. The individual shall also pay all
24 deductibles, copayments, coinsurance, and other cost-sharing
25 obligations imposed on the individual under the group health
26 benefit plan.

27 (g) A payment made by the commission [~~department~~] under

1 Subsection (f) or (f-1) is considered to be a payment for medical
2 assistance.

3 (h) A payment of a premium for an individual who is a member
4 of the family of an individual enrolled in a group health benefit
5 plan under Subsection (e) [~~this section~~] and who is not eligible for
6 medical assistance is considered to be a payment for medical
7 assistance for an eligible individual if:

8 (1) enrollment of the family members who are eligible
9 for medical assistance is not possible under the plan without also
10 enrolling members who are not eligible; and

11 (2) the commission [~~department~~] determines it to be
12 cost-effective.

13 (i) A payment of any deductible, copayment, coinsurance, or
14 other cost-sharing obligation of a family member who is enrolled in
15 a group health benefit plan in accordance with Subsection (h) and
16 who is not eligible for medical assistance:

17 (1) may not be paid under this chapter; and

18 (2) is not considered to be a payment for medical
19 assistance for an eligible individual.

20 (i-1) The commission shall make every effort to expedite
21 payments made under this section, including by ensuring that those
22 payments are made through electronic transfers of money to the
23 recipient's account at a financial institution, if possible. In
24 lieu of reimbursing the individual enrolled in the group health
25 benefit plan for required premium or cost-sharing payments made by
26 the individual, the commission may, if feasible:

27 (1) make payments under this section for required

1 premiums directly to the employer providing the group health
2 benefit plan in which an individual is enrolled; or

3 (2) make payments under this section for required
4 premiums and cost-sharing obligations directly to the group health
5 benefit plan issuer.

6 (j) The commission [~~department~~] shall treat coverage under
7 the group health benefit plan as a third party liability to the
8 program. Subject to Subsection (j-1), enrollment [~~Enrollment~~] of
9 an individual in a group health benefit plan under this section does
10 not affect the individual's eligibility for medical assistance
11 benefits, except that the state is entitled to payment under
12 Sections 32.033 and 32.038.

13 (j-1) An individual described by Subsection (e-1) who
14 enrolls in a group health benefit plan is not ineligible for
15 community-based services provided under a Section 1915(c) waiver
16 program or another federal waiver program solely based on the
17 individual's enrollment in the group health benefit plan, and the
18 individual may receive those services if the individual is
19 otherwise eligible for the program. The individual is otherwise
20 limited to the health benefits coverage provided under the health
21 benefit plan in which the individual is enrolled, and the
22 individual may not receive any benefits or services under the
23 medical assistance program other than the premium payment as
24 provided by Subsection (f-1) and, if applicable, waiver program
25 services described by this subsection.

26 (k) The commission [~~department~~] may not require or permit an
27 individual who is enrolled in a group health benefit plan under this

1 section to participate in the Medicaid managed care program under
2 Chapter 533, Government Code, or a Medicaid managed care
3 demonstration project under Section 32.041.

4 (1) The commission, in consultation with the Texas
5 Department of Insurance, shall provide training to agents who hold
6 a general life, accident, and health license under Chapter 4054,
7 Insurance Code, regarding the health insurance premium payment
8 reimbursement program and the eligibility requirements for
9 participation in the program. Participation in a training program
10 established under this subsection is voluntary, and a general life,
11 accident, and health agent who successfully completes the training
12 is entitled to receive continuing education credit under Subchapter
13 B, Chapter 4004, Insurance Code, in accordance with rules adopted
14 by the commissioner of insurance.

15 (m) The commission may pay a referral fee, in an amount
16 determined by the commission, to each general life, accident, and
17 health agent who, after completion of the training program
18 established under Subsection (1), successfully refers an eligible
19 individual to the commission for enrollment in a [Texas Department
20 of Human Services shall provide information and otherwise cooperate
21 with the department as necessary to ensure the enrollment of
22 eligible individuals in the] group health benefit plan under this
23 section.

24 (n) The commission shall develop procedures by which an
25 individual described by Subsection (e-1) who enrolls in a group
26 health benefit plan may, at the individual's option, resume
27 receiving benefits and services under the medical assistance

1 program instead of the group health benefit plan.

2 (o) The commission shall develop procedures which ensure
3 that, prior to allowing an individual described by Subsection (e-1)
4 to enroll in a group health benefit plan or allowing the parent or
5 caretaker of an individual described by Subsection (e-1) under the
6 age of 21 to enroll that child in a group health benefit plan:

7 (1) the individual must receive counseling informing
8 them that for the period in which the individual is enrolled in the
9 group health benefit plan:

10 (A) the individual shall be limited to the health
11 benefits coverage provided under the health benefit plan in which
12 the individual is enrolled;

13 (B) the individual may not receive any benefits
14 or services under the medical assistance program other than the
15 premium payment as provided by Subsection (f-1);

16 (C) the individual shall pay the difference
17 between the required premiums and the premium payment as provided
18 by Subsection (f-1) and shall also pay all deductibles, copayments,
19 coinsurance, and other cost-sharing obligations imposed on the
20 individual under the group health benefit plan; and

21 (D) the individual may, at the individual's
22 option, resume receiving benefits and services under the medical
23 assistance program instead of the group health benefit plan; and

24 (2) the individual must sign and the commission shall
25 retain a copy of a waiver indicating the individual has provided
26 informed consent.

27 (p) The executive commissioner [~~department~~] shall adopt

1 rules as necessary to implement this section.

2 SECTION 10. Subchapter B, Chapter 32, Human Resources Code,
3 is amended by adding Section 32.0641 to read as follows:

4 Sec. 32.0641. COST SHARING FOR CERTAIN HIGH-COST MEDICAL
5 SERVICES. If the department determines that it is feasible and
6 cost-effective, and to the extent permitted under Title XIX, Social
7 Security Act (42 U.S.C. Section 1396 et seq.) and any other
8 applicable law or regulation or under a federal waiver or other
9 authorization, the executive commissioner of the Health and Human
10 Services Commission shall adopt cost-sharing provisions that
11 require a recipient who chooses a high-cost medical service
12 provided through a hospital emergency room to pay a copayment,
13 premium payment, or other cost-sharing payment for the high-cost
14 medical service if:

15 (1) the hospital from which the recipient seeks
16 service:

17 (A) performs an appropriate medical screening
18 and determines that the recipient does not have a condition
19 requiring emergency medical services;

20 (B) informs the recipient:

21 (i) that the recipient does not have a
22 condition requiring emergency medical services;

23 (ii) that, if the hospital provides the
24 nonemergency service, the hospital may require payment of a
25 copayment, premium payment, or other cost-sharing payment by the
26 recipient in advance; and

27 (iii) of the name and address of a

1 nonemergency Medicaid provider who can provide the appropriate
2 medical service without imposing a cost-sharing payment; and

3 (C) offers to provide the recipient with a
4 referral to the nonemergency provider to facilitate scheduling of
5 the service; and

6 (2) after receiving the information and assistance
7 described by Subdivision (1) from the hospital, the recipient
8 chooses to obtain emergency medical services despite having access
9 to medically acceptable, lower-cost medical services.

10 SECTION 11. (a) The heading to Subtitle C, Title 2, Health
11 and Safety Code, is amended to read as follows:

12 SUBTITLE C. PROGRAMS PROVIDING [~~INDICENT~~] HEALTH CARE BENEFITS AND
13 SERVICES

8 health plan:

9 (1) local funds made available to this state through

18 (2) this state, a political subdivision of this state,

27 (4) deductibles.

1 Sec. 76.103. STANDARDS AND PROCEDURES. The executive
2 commissioner by rule shall:

3 (1) define the types of local entities that may be
4 partnering entities;

5 (2) determine eligibility criteria for participating
6 employers and employees;

7 (3) determine a minimum benefit package for multiple
8 share programs that offer noninsurance health benefit plans;

9 (4) determine methods for limiting substitution of
10 coverage in multiple share programs of partnering entities;

11 (5) determine methods for limiting adverse selection
12 in multiple share programs of partnering entities; and

13 (6) determine how a multiple share program participant
14 may continue program coverage if the participant leaves the
15 employment of a participating employer or becomes ineligible due to
16 income.

17 (c) Not later than January 1, 2008, the executive
18 commissioner of the Health and Human Services Commission shall
19 adopt rules and procedures necessary to implement the multiple
20 share program created by Chapter 76, Health and Safety Code, as
21 added by this section. In adopting the rules and procedures, the
22 executive commissioner may consult with the Texas Department of
23 Insurance.

24 (d) This section takes effect immediately if this Act
25 receives a vote of two-thirds of all the members elected to each
26 house, as provided by Section 39, Article III, Texas Constitution.
27 If this Act does not receive the vote necessary for this section to

1 have immediate effect, this section takes effect September 1, 2007.

2 SECTION 12. (a) In this section, "committee" means the
3 committee on health and long-term care insurance incentives.

4 (b) The committee on health and long-term care insurance
5 incentives is established to study and develop recommendations
6 regarding methods by which this state may reduce the need for
7 residents of this state to rely on the Medicaid program by providing
8 incentives for employers to provide health insurance, long-term
9 care insurance, or both, to their employees.

10 (c) The committee on health and long-term care insurance
11 incentives is composed of:

12 (1) the presiding officers of:

13 (A) the Senate Committee on Health and Human
14 Services;

15 (B) the House Committee on Public Health;

16 (C) the Senate Committee on State Affairs; and

17 (D) the House Committee on Insurance;

18 (2) three public members, appointed by the governor,
19 who collectively represent the diversity of businesses in this
20 state, including diversity with respect to:

21 (A) the geographic regions in which those
22 businesses are located;

23 (B) the types of industries in which those
24 businesses are engaged; and

25 (C) the sizes of those businesses, as determined
26 by number of employees; and

27 (3) the following ex officio members:

- 1 (A) the comptroller of public accounts;
- 2 (B) the commissioner of insurance; and
- 3 (C) the executive commissioner of the Health and
- 4 Human Services Commission.

5 (d) The committee shall elect a presiding officer from the
6 committee members and shall meet at the call of the presiding
7 officer.

8 (e) The committee shall study and develop recommendations
9 regarding incentives this state may provide to employers to
10 encourage those employers to provide health insurance, long-term
11 care insurance, or both, to employees who would otherwise rely on
12 the Medicaid program to meet their health and long-term care needs.
13 In conducting the study, the committee shall:

14 (1) examine the feasibility and determine the cost of
15 providing incentives through:

16 (A) the franchise tax under Chapter 171, Tax
17 Code, including allowing exclusions from an employer's total
18 revenue of insurance premiums paid for employees, regardless of
19 whether the employer chooses under Subparagraph (ii), Paragraph
20 (B), Subdivision (1), Subsection (a), Section 171.101, Tax Code, as
21 effective January 1, 2008, to subtract cost of goods sold or
22 compensation for purposes of determining the employer's taxable
23 margin;

24 (B) deductions from or refunds of other taxes
25 imposed on the employer; and

26 (C) any other means, as determined by the
27 committee; and

1 (2) for each incentive the committee examines under
2 Subdivision (1) of this subsection, determine the impact that
3 implementing the incentive would have on reducing the number of
4 individuals in this state who do not have private health or
5 long-term care insurance coverage, including individuals who are
6 Medicaid recipients.

7 (f) Not later than September 1, 2008, the committee shall
