A BILL TO BE ENTITLED

AN ACT

relating to the operation and financing of the medical assistance program and other programs to provide health care benefits and services to persons in this state; providing penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter B, Chapter 531, Government Code, is amended by adding Sections 531.02114 and 531.02192 to read as follows:

Sec. 531.02114. PILOT PROJECT TO SIMPLIFY, STREAMLINE, AND REDUCE COSTS ASSOCIATED WITH MEDICAID COST REPORTING AND AUDITING PROCESS FOR CERTAIN PROVIDERS. (a) In this section:

(1) "Pilot project" means the pilot project to simplify, streamline, and reduce costs associated with the Medicaid cost reporting and auditing process for providers implemented by the commission under this section.

(2) "Provider" means a private ICF-MR facility or home and community-based services waiver program provider.

(b) The commission shall develop and implement a pilot project to simplify, streamline, and reduce costs associated with the Medicaid cost reporting and auditing process for private ICF-MR facilities and home and community-based services waiver program providers.

(c) The executive commissioner by rule shall, with the
assistance of the work group established under Subsection (d),
adopt cost reporting and auditing processes and guidelines similar
to standard business financial reporting processes and guidelines.
The rules must:

(1) require that cost report forms:
   (A) not exceed 20 letter-size pages in length, including any appendices; and
   (B) be distributed to providers at least one month before the beginning of the applicable reporting period;
(2) require that a provider summarize information regarding program revenue, administrative costs, central office costs, facility costs, and direct-care costs, including the hourly wage detail of direct-care staff;
(3) allow a provider to electronically submit cost reports;
(4) require the filing of cost reports in alternating years as follows:
   (A) in even-numbered years, private ICF-MR facility providers; and
   (B) in odd-numbered years, home and community-based services waiver program providers;
(5) allow a provider to request and receive from the commission information, including reports, relating to the services provided by the provider that is maintained by the commission in a database or under another program or system to facilitate the cost reporting process; and
(6) require that each provider receive a full audit by
the commission's office of inspector general at least once during
the period the pilot project is in operation.

(d) In developing the pilot project, the commission shall
establish a work group that reports to the executive commissioner
and is responsible for:

(1) developing and proposing cost report forms and
processes, audit processes, and rules necessary to implement the
pilot project;

(2) developing:

(A) a plan for monitoring the pilot project's
implementation; and

(B) recommendations for improving and expanding
the pilot project to other Medicaid programs;

(3) establishing an implementation date for the pilot
project that allows the commission to have sufficient information
related to the pilot project for purposes of preparing the
commission's legislative appropriations request for the state
fiscal biennium beginning September 1, 2009;

(4) monitoring wage levels of the direct-care staff of
providers to assess the value and need for minimum spending levels;

and

(5) submitting a quarterly report to the lieutenant
governor, the speaker of the house of representatives, the senate
finance committee, and the house appropriations committee
regarding the status of the pilot project.

(e) The executive commissioner shall determine the number
of members of the work group described by Subsection (d). The
executive commissioner shall ensure that the work group includes members who represent:

(1) public and private providers of ICF-MR services and home and community-based waiver program services;

(2) experienced cost report preparers who have received cost report training from the commission;

(3) accounting firms licensed under Chapter 901, Occupations Code, that are familiar with the provision of program services described by Subdivision (1);

(4) commission staff; and

(5) other interested stakeholders, as determined by the executive commissioner.

(f) Not later than September 1, 2012, the commission shall submit a report to the legislature that:

(1) evaluates the operation of the pilot project; and

(2) makes recommendations regarding the continuation or expansion of the pilot project.

(g) This section expires September 1, 2013.
(b) Notwithstanding any provision of this chapter, Chapter 32, Human Resources Code, or any other law, the commission shall:

(1) promote Medicaid recipient access to federally qualified health center services or rural health clinic services; and

(2) ensure that payment for federally qualified health center services or rural health clinic services is in accordance with 42 U.S.C. Section 1396a(bb).

SECTION 2. (a) Subchapter B, Chapter 531, Government Code, is amended by adding Sections 531.02413 and 531.02414 to read as follows:

Sec. 531.02413. BILLING COORDINATION SYSTEM. (a) If cost-effective and feasible, the commission shall, on or before September 1, 2008, contract for the implementation of an acute care billing coordination system that will, on submission at the point of service of a claim for a service provided to a Medicaid recipient by a Medicaid provider, identify within 24 hours whether another entity has primary responsibility for paying the claim and submit the claim to the issuer the system determines is the primary payor.

(b) The executive commissioner shall adopt rules for the purpose of enabling the system to identify an entity with primary responsibility for paying a claim and establish reporting requirements for any entity that may have a contractual responsibility to pay for the types of acute care services provided under the Medicaid program.

(c) An entity that holds a permit, license, or certificate of authority issued by a regulatory agency of the state must allow
the contractor under Subsection (a) access to databases to allow the contractor to carry out the purposes of this section, subject to the contractor's contract with the commission and rules adopted under this subchapter, and the entity is subject to an administrative penalty or other sanction as provided by the law applicable to the permit, license, or certificate of authority for a violation of a rule adopted under this subchapter.

(d) After March 1, 2009, no public funds shall be expended on entities not in compliance with this section unless a memorandum of understanding is entered into between the entity and the executive commissioner.

(e) Information obtained under this section is confidential. The contractor may use the information only for the purposes authorized under this section. A person commits an offense if the person knowingly uses information obtained under this section for any purpose not authorized under this section. An offense under this subsection is a Class B misdemeanor.

(f) In addition to the criminal penalty under Subsection (e), a person who violates that subsection is subject to any applicable administrative or civil penalty imposed under state or federal law.

(g) Providing a person access to or transmitting or otherwise using information obtained under this section must be done in a manner that is consistent with all applicable state and federal law, including rules.

Sec. 531.02414. ADMINISTRATION AND OPERATION OF MEDICAL TRANSPORTATION PROGRAM. (a) In this section, "medical
transportation program" means the program that provides nonemergency transportation services to and from covered health care services, based on medical necessity, to recipients under the Medicaid program, the children with special health care needs program, and the transportation for indigent cancer patients program, who have no other means of transportation.

(b) Notwithstanding any other law, the commission shall directly supervise the administration and operation of the medical transportation program.

(c) Notwithstanding any other law, the commission may not delegate the commission's duty to supervise the medical transportation program to any other person, including through a contract with the Texas Department of Transportation for the department to assume any of the commission's responsibilities relating to the provision of services through that program.

(d) The commission may contract with a public transportation provider, as defined by Section 461.002, Transportation Code, a private transportation provider, or a regional transportation broker for the provision of public transportation services, as defined by Section 461.002, Transportation Code, under the medical transportation program.

(b) Section 531.02412(b), Government Code, is amended to read as follows:

(b) This section does not affect the duty of the Texas Department of Transportation to manage the delivery of transportation services, including the delivery of transportation services for clients of health and human services programs, subject
(c) Except as provided by Subsection (c-1), the Health and Human Services Commission shall contract with the department for the department to assume all responsibilities of the Health and Human Services Commission relating to the provision of transportation services for clients of eligible programs. The department shall hold at least one public hearing to solicit the views of the public concerning the transition of transportation services to the department under this subsection and shall meet with and consider the views of interested persons, including persons representing transportation clients.

(c-1) The Health and Human Services Commission may not contract with the department for the department to assume any responsibilities of the commission relating to the provision of transportation services under the medical transportation program, as defined by Section 531.02414, Government Code.

(d) The Health and Human Services Commission shall take any action allowed under state law that is necessary to terminate or modify a contract prohibited by Section 455.0015(c-1), Transportation Code, as added by this section, and to ensure compliance with Section 531.02414, Government Code, as added by this section, as soon as possible after the effective date of this section. On the date a contract termination or modification as
described by this subsection takes effect:

(1) all powers, duties, functions, activities, property, and records related to the medical transportation program, as defined by Section 531.02414, Government Code, as added by this section, are transferred to the commission; and

(2) a reference in law to the Texas Department of Transportation with respect to that program means the commission.

SECTION 3. (a) Subchapter B, Chapter 531, Government Code, is amended by adding Sections 531.094, 531.0941, 531.097, and 531.0971 to read as follows:

Sec. 531.094. PILOT PROGRAM AND OTHER PROGRAMS TO PROMOTE HEALTHY LIFESTYLES. (a) The commission shall develop and implement a pilot program in one region of this state under which Medicaid recipients are provided positive incentives to lead healthy lifestyles, including through participating in certain health-related programs or engaging in certain health-conscious behaviors, thereby resulting in better health outcomes for those recipients.

(b) Except as provided by Subsection (c), in implementing the pilot program, the commission may provide:

(1) expanded health care benefits or value-added services for Medicaid recipients who participate in certain programs, such as specified weight loss or smoking cessation programs;

(2) individual health rewards accounts that allow Medicaid recipients who follow certain disease management protocols to receive credits in the accounts that may be exchanged
for health-related items specified by the commission that are not
covered by Medicaid; and

(3) any other positive incentive the commission
determines would promote healthy lifestyles and improve health
outcomes for Medicaid recipients.

(c) The commission shall consider similar incentive
programs implemented in other states to determine the most
cost-effective measures to implement in the pilot program under
this section.

(d) Not later than December 1, 2010, the commission shall
submit a report to the legislature that:

(1) describes the operation of the pilot program;

(2) analyzes the effect of the incentives provided
under the pilot program on the health of program participants; and

(3) makes recommendations regarding the continuation
or expansion of the pilot program.

(e) In addition to developing and implementing the pilot
program under this section, the commission may, if feasible and
cost-effective, develop and implement an additional incentive
program to encourage Medicaid recipients who are younger than 21
years of age to make timely health care visits under the early and
periodic screening, diagnosis, and treatment program. The
commission shall provide incentives under the program for managed
care organizations contracting with the commission under Chapter
533 and Medicaid providers to encourage those organizations and
providers to support the delivery and documentation of timely and
complete health care screenings under the early and periodic
screening, diagnosis, and treatment program.

(f) This section expires September 1, 2011.

Sec. 531.0941. MEDICAID HEALTH SAVINGS ACCOUNT PILOT PROGRAM. (a) If the commission determines that it is cost-effective and feasible, the commission shall develop and implement a Medicaid health savings account pilot program that is consistent with federal law to:

(1) encourage health care cost awareness and sensitivity by adult recipients; and

(2) promote appropriate utilization of Medicaid services by adult recipients.

(b) If the commission implements the pilot program, the commission may only include adult recipients as participants in the program.

(c) If the commission implements the pilot program, the commission shall ensure that:

(1) participation in the pilot program is voluntary; and

(2) a recipient who participates in the pilot program may, at the recipient's option and subject to Subsection (d), discontinue participation in the program and resume receiving benefits and services under the traditional Medicaid delivery model.

(d) A recipient who chooses to discontinue participation in the pilot program and resume receiving benefits and services under the traditional Medicaid delivery model before completion of the health savings account enrollment period forfeits any funds
the recipient's health savings account.

Sec. 531.097. TAILORED BENEFIT PACKAGES FOR CERTAIN
CATEGORIES OF THE MEDICAID POPULATION. (a) The executive
commissioner may seek a waiver under Section 1115 of the federal
Social Security Act (42 U.S.C. Section 1315) to develop and,
subject to Subsection (c), implement tailored benefit packages
designed to:

(1) provide Medicaid benefits that are customized to
meet the health care needs of recipients within defined categories
of the Medicaid population through a defined system of care;
(2) improve health outcomes for those recipients;
(3) improve those recipients' access to services;
(4) achieve cost containment and efficiency; and
(5) reduce the administrative complexity of
delivering Medicaid benefits.

(b) The commission:

(1) shall develop a tailored benefit package that is
customized to meet the health care needs of Medicaid recipients who
are children with special health care needs, subject to approval of
the waiver described by Subsection (a); and
(2) may develop tailored benefit packages that are
customized to meet the health care needs of other categories of
Medicaid recipients.

(c) If the commission develops tailored benefit packages
under Subsection (b)(2), the commission shall submit a report to
the standing committees of the senate and house of representatives
having primary jurisdiction over the Medicaid program that
specifies, in detail, the categories of Medicaid recipients to which each of those packages will apply and the services available under each package. The commission may not implement a package developed under Subsection (b)(2) before September 1, 2009.

(d) Except as otherwise provided by this section and subject to the terms of the waiver authorized by this section, the commission has broad discretion to develop the tailored benefit packages under this section and determine the respective categories of Medicaid recipients to which the packages apply in a manner that preserves recipients’ access to necessary services and is consistent with federal requirements.

(e) Each tailored benefit package developed under this section must include:

(1) a basic set of benefits that are provided under all tailored benefit packages; and

(2) to the extent applicable to the category of Medicaid recipients to which the package applies:

(A) a set of benefits customized to meet the health care needs of recipients in that category; and

(B) services to integrate the management of a recipient’s acute and long-term care needs, to the extent feasible.

(f) In addition to the benefits required by Subsection (e), a tailored benefit package developed under this section that applies to Medicaid recipients who are children must provide at least the services required by federal law under the early and periodic screening, diagnosis, and treatment program.

(g) A tailored benefit package developed under this section
may include any service available under the state Medicaid plan or under any federal Medicaid waiver, including any preventive health or wellness service.

(g-1) A tailored benefit package developed under this section must increase the state's flexibility with respect to the state's use of Medicaid funding and may not reduce the benefits available under the Medicaid state plan to any Medicaid recipient population.

(h) In developing the tailored benefit packages, the commission shall consider similar benefit packages established in other states as a guide.

(i) The executive commissioner, by rule, shall define each category of recipients to which a tailored benefit package applies and a mechanism for appropriately placing recipients in specific categories. Recipient categories must include children with special health care needs and may include:

(1) persons with disabilities or special health needs;
(2) elderly persons;
(3) children without special health care needs; and
(4) working-age parents and caretaker relatives.

(j) This section does not apply to a tailored benefit package or similar package of benefits if, before September 1, 2007:

(1) a federal waiver was requested to implement the package of benefits;
(2) the package of benefits is being developed, as directed by the legislature; or
Sec. 531.0971. TAILORED BENEFIT PACKAGES FOR NON-MEDICAID POPULATIONS. (a) The commission shall identify state or federal non-Medicaid programs that provide health care services to persons whose health care needs could be met by providing customized benefits through a system of care that is used under a Medicaid tailored benefit package implemented under Section 531.097.

(b) If the commission determines that it is feasible and to the extent permitted by federal and state law, the commission shall:

(1) provide the health care services for persons identified under Subsection (a) through the applicable Medicaid tailored benefit package; and

(2) if appropriate or necessary to provide the services as required by Subdivision (1), develop and implement a system of blended funding methodologies to provide the services in that manner.

(b) Not later than September 1, 2008, the Health and Human Services Commission shall implement the pilot program under Section 531.094, Government Code, as added by this section.

SECTION 4. (a) Subchapter C, Chapter 531, Government Code, is amended by adding Section 531.1112 to read as follows:

Sec. 531.1112. STUDY CONCERNING INCREASED USE OF TECHNOLOGY TO STRENGTHEN FRAUD DETECTION AND DETERRENCE; IMPLEMENTATION.

(a) The commission and the commission's office of inspector general shall jointly study the feasibility of increasing the use of technology to strengthen the detection and deterrence of fraud...
in the state Medicaid program. The study must include the
determination of the feasibility of using technology to verify a
person's citizenship and eligibility for coverage.

(b) The commission shall implement any methods the
commission and the commission's office of inspector general
determine are effective at strengthening fraud detection and
deterrence.

(b) Not later than December 1, 2008, the Health and Human
Services Commission shall submit to the legislature a report
detailing the findings of the study required by Section 531.1112,
Government Code, as added by this section. The report must include
a description of any method described by Subsection (b), Section
531.1112, Government Code, as added by this section, that the
commission has implemented or intends to implement.

SECTION 5. (a) Chapter 531, Government Code, is amended by
adding Subchapter N to read as follows:

SUBCHAPTER N. TEXAS HEALTH OPPORTUNITY POOL TRUST FUND

Sec. 531.501. DEFINITION. In this subchapter, "fund" means
the Texas health opportunity pool trust fund established under
Section 531.503.

Sec. 531.502. DIRECTION TO OBTAIN FEDERAL WAIVER. (a) The
executive commissioner may seek a waiver under Section 1115 of the
federal Social Security Act (42 U.S.C. Section 1315) to the state
Medicaid plan to allow the commission to more efficiently and
effectively use federal money paid to this state under various
programs to defray costs associated with providing uncompensated
health care in this state by using that federal money, appropriated
state money to the extent necessary, and any other money described
by this section for purposes consistent with this subchapter.

(b) The executive commissioner may include the following
federal money in the waiver:

(1) all money provided under the disproportionate
share hospitals and upper payment limit supplemental payment
programs;

(2) money provided by the federal government in lieu
of some or all of the payments under those programs;

(3) any combination of funds authorized to be pooled
by Subdivisions (1) and (2); and

(4) any other money available for that purpose,
including federal money and money identified under Subsection (c).

(c) The commission shall seek to optimize federal funding
by:

(1) identifying health care related state and local
funds and program expenditures that, before September 1, 2007, are
not being matched with federal money; and

(2) exploring the feasibility of:

(A) certifying or otherwise using those funds and
expenditures as state expenditures for which this state may receive
federal matching money; and

(B) depositing federal matching money received
as provided by Paragraph (A) with other federal money deposited as
provided by Section 531.504, or substituting that federal matching
money for federal money that otherwise would be received under the
disproportionate share hospitals and upper payment limit
supplemental payment programs as a match for local funds received by this state through intergovernmental transfers.

(d) The terms of a waiver approved under this section must:

(1) include safeguards to ensure that the total amount of federal money provided under the disproportionate share hospitals and upper payment limit supplemental payment programs that is deposited as provided by Section 531.504 is, for a particular state fiscal year, at least equal to the greater of the annualized amount provided to this state under those supplemental payment programs during state fiscal year 2007, excluding amounts provided during that state fiscal year that are retroactive payments, or the state fiscal years during which the waiver is in effect; and

(2) allow for the development by this state of a methodology for allocating money in the fund to:

(A) offset, in part, the uncompensated health care costs incurred by hospitals;

(B) reduce the number of persons in this state who do not have health benefits coverage; and

(C) maintain and enhance the community public health infrastructure provided by hospitals.

(e) In a waiver under this section, the executive commissioner shall seek to:

(1) obtain maximum flexibility with respect to using the money in the fund for purposes consistent with this subchapter;

(2) include an annual adjustment to the aggregate caps under the upper payment limit supplemental payment program to
account for inflation, population growth, and other appropriate
demographic factors that affect the ability of residents of this
state to obtain health benefits coverage;

(3) ensure, for the term of the waiver, that the
aggregate caps under the upper payment limit supplemental payment
program for each of the three classes of hospitals are not less than
the aggregate caps that applied during state fiscal year 2007; and

(4) to the extent allowed by federal law, including
federal regulations, and federal waiver authority, preserve the
federal supplemental payment program payments made to hospitals,
the state match with respect to which is funded by
intergovernmental transfers or certified public expenditures that
are used to optimize Medicaid payments to safety net providers for
uncompensated care, and preserve allocation methods for those
payments, unless the need for the payments is revised through
measures that reduce the Medicaid shortfall or uncompensated care
costs.

(f) The executive commissioner shall seek broad-based
stakeholder input in the development of the waiver under this
section and shall provide information to stakeholders regarding the
terms and components of the waiver for which the executive
commissioner seeks federal approval.

(g) The executive commissioner shall seek the advice of the
Legislative Budget Board before finalizing the terms and conditions
of the negotiated waiver.

Sec. 531.503. ESTABLISHMENT OF TEXAS HEALTH OPPORTUNITY
POOL TRUST FUND. Subject to approval of the waiver authorized by
Section 531.502, the Texas health opportunity pool trust fund is created as a trust fund outside the state treasury to be held by the comptroller and administered by the commission as trustee on behalf of residents of this state who do not have private health benefits coverage and health care providers providing uncompensated care to those persons. The commission may make expenditures of money in the fund only for purposes consistent with this subchapter and the terms of the waiver authorized by Section 531.502.

Sec. 531.504. DEPOSITS TO FUND. (a) The comptroller shall deposit in the fund:

(1) all federal money provided to this state under the disproportionate share hospitals and upper payment limit supplemental payment programs, and all other non-supplemental payment program federal money provided to this state that is included in the waiver authorized by Section 531.502, other than money provided under the disproportionate share hospitals and upper payment limit supplemental payment programs to state-owned and operated hospitals; and

(2) state money appropriated to the fund.

(b) The commission and comptroller may accept gifts, grants, and donations from any source for purposes consistent with this subchapter and the terms of the waiver. The comptroller shall deposit a gift, grant, or donation made for those purposes in the fund.

Sec. 531.505. USE OF FUND IN GENERAL; RULES FOR ALLOCATION. (a) Except as otherwise provided by the terms of a waiver authorized by Section 531.502, money in the fund may be used:
subject to Section 531.506, to provide reimbursements to health care providers that:

(A) are based on the providers' costs related to providing uncompensated care; and

(B) compensate the providers for at least a portion of those costs;

(2) to reduce the number of persons in this state who do not have health benefits coverage;

(3) to reduce the need for uncompensated health care provided by hospitals in this state; and

(4) for any other purpose specified by this subchapter or the waiver.

(b) On approval of the waiver, the executive commissioner shall:

(1) seek input from a broad base of stakeholder representatives on the development of rules with respect to, and the administration of, the fund; and

(2) by rule develop a methodology for allocating money in the fund that is consistent with the terms of the waiver.

Sec. 531.506. REIMBURSEMENTS FOR UNCOMPENSATED HEALTH CARE COSTS. (a) Except as otherwise provided by the terms of a waiver authorized by Section 531.502 and subject to Subsections (b) and (c), money in the fund may be allocated to hospitals in this state and political subdivisions of this state to defray the costs of providing uncompensated health care in this state.

(b) To be eligible for money from the fund under this section, a hospital or political subdivision must use a portion of
the money to implement strategies that will reduce the need for uncompensated inpatient and outpatient care, including care provided in a hospital emergency room. Strategies that may be implemented by a hospital or political subdivision, as applicable, include:

(1) fostering improved access for patients to primary care systems or other programs that offer those patients medical homes, including the following programs:
   (A) three share or multiple share programs;
   (B) programs to provide premium subsidies for health benefits coverage; and
   (C) other programs to increase access to health benefits coverage; and

(2) creating health care systems efficiencies, such as using electronic medical records systems.

(c) The allocation methodology adopted by the executive commissioner under Section 531.505(b) must specify the percentage of the money from the fund allocated to a hospital or political subdivision that the hospital or political subdivision must use for strategies described by Subsection (b).
benefits coverage for low-income persons, including:

(1) providing premium payment assistance to those persons through a premium payment assistance program developed under this section;

(2) making contributions to health savings accounts for those persons; and

(3) providing other financial assistance to those persons through alternate mechanisms established by hospitals in this state or political subdivisions of this state that meet certain criteria, as specified by the commission.

(b) The commission and the Texas Department of Insurance shall jointly develop a premium payment assistance program designed to assist persons described by Subsection (a) in obtaining and maintaining health benefits coverage. The program may provide assistance in the form of payments for all or part of the premiums for that coverage. In developing the program, the executive commissioner shall adopt rules establishing:

(1) eligibility criteria for the program;

(2) the amount of premium payment assistance that will be provided under the program;

(3) the process by which that assistance will be paid; and

(4) the mechanism for measuring and reporting the number of persons who obtained health insurance or other health benefits coverage as a result of the program.

(c) The commission shall implement the premium payment assistance program developed under Subsection (b), subject to
availability of money in the fund for that purpose.

Sec. 531.508. INFRASTRUCTURE IMPROVEMENTS. (a) Except as
otherwise provided by the terms of a waiver authorized by Section
531.502 and subject to Subsection (c), money in the fund may be used
for purposes related to developing and implementing initiatives to
improve the infrastructure of local provider networks that provide
services to Medicaid recipients and low-income uninsured persons in
this state.

(b) Infrastructure improvements under this section may
include developing and implementing a system for maintaining
medical records in an electronic format.

(c) Not more than 10 percent of the total amount of the money
in the fund used in a state fiscal year for purposes other than
providing reimbursements to hospitals for uncompensated health
care may be used for infrastructure improvements described by
Subsection (b).

(b) If the executive commissioner of the Health and Human
Services Commission obtains federal approval for a waiver under
Section 531.502, Government Code, as added by this section, the
executive commissioner shall submit a report to the Legislative
Budget Board that outlines the components and terms of that waiver
as soon as possible after federal approval is granted.

SECTION 6. (a) Chapter 531, Government Code, is amended by
adding Subchapter O to read as follows:

SUBCHAPTER O. UNCOMPENSATED HOSPITAL CARE

Sec. 531.551. UNCOMPENSATED HOSPITAL CARE REPORTING AND
ANALYSIS. (a) The executive commissioner shall adopt rules
providing for:

(1) a standard definition of "uncompensated hospital care";

(2) a methodology to be used by hospitals in this state to compute the cost of that care that incorporates the standard set of adjustments described by Section 531.552(g)(4); and

(3) procedures to be used by those hospitals to report the cost of that care to the commission and to analyze that cost.

(b) The rules adopted by the executive commissioner under Subsection (a)(3) may provide for procedures by which the commission may periodically verify the completeness and accuracy of the information reported by hospitals.

(c) The commission shall notify the attorney general of a hospital's failure to report the cost of uncompensated care on or before the date the report was due in accordance with rules adopted under Subsection (a)(3). On receipt of the notice, the attorney general shall impose an administrative penalty on the hospital in the amount of $1,000 for each day after the date the report was due that the hospital has not submitted the report, not to exceed $10,000.

(d) If the commission determines through the procedures adopted under Subsection (b) that a hospital submitted a report with incomplete or inaccurate information, the commission shall notify the hospital of the specific information the hospital must submit and prescribe a date by which the hospital must provide that information. If the hospital fails to submit the specified information on or before the date prescribed by the commission, the
commission shall notify the attorney general of that failure. On receipt of the notice, the attorney general shall impose an administrative penalty on the hospital in an amount not to exceed $10,000. In determining the amount of the penalty to be imposed, the attorney general shall consider:

(1) the seriousness of the violation;

(2) whether the hospital had previously committed a violation; and

(3) the amount necessary to deter the hospital from committing future violations.

(e) A report by the commission to the attorney general under Subsection (c) or (d) must state the facts on which the commission based its determination that the hospital failed to submit a report or failed to completely and accurately report information, as applicable.

(f) The attorney general shall give written notice of the commission's report to the hospital alleged to have failed to comply with a requirement. The notice must include a brief summary of the alleged violation, a statement of the amount of the administrative penalty to be imposed, and a statement of the hospital's right to a hearing on the alleged violation, the amount of the penalty, or both.

(g) Not later than the 20th day after the date the notice is sent under Subsection (f), the hospital must make a written request for a hearing or remit the amount of the administrative penalty to the attorney general. Failure to timely request a hearing or remit the amount of the administrative penalty results in a waiver of the
right to a hearing under this section. If the hospital timely requests a hearing, the attorney general shall conduct the hearing in accordance with Chapter 2001, Government Code. If the hearing results in a finding that a violation has occurred, the attorney general shall:

(1) provide to the hospital written notice of:
   (A) the findings established at the hearing; and
   (B) the amount of the penalty; and

(2) enter an order requiring the hospital to pay the amount of the penalty.

(h) Not later than the 30th day after the date the hospital receives the order entered by the attorney general under Subsection (g), the hospital shall:

(1) pay the amount of the administrative penalty;

(2) remit the amount of the penalty to the attorney general for deposit in an escrow account and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both and file with the court a sworn affidavit stating that the hospital is financially unable to pay the amount of the penalty.

(i) The attorney general's order is subject to judicial review as a contested case under Chapter 2001, Government Code.

(j) If the hospital paid the penalty and on review the court does not sustain the occurrence of the violation or finds that the
amount of the administrative penalty should be reduced, the attorney general shall remit the appropriate amount to the hospital not later than the 30th day after the date the court's judgment becomes final.

(k) If the court sustains the occurrence of the violation:

(1) the court:
   (A) shall order the hospital to pay the amount of the administrative penalty; and
   (B) may award to the attorney general the attorney's fees and court costs incurred by the attorney general in defending the action; and

(2) the attorney general shall remit the amount of the penalty to the comptroller for deposit in the general revenue fund.

(l) If the hospital does not pay the amount of the administrative penalty after the attorney general's order becomes final for all purposes, the attorney general may enforce the penalty as provided by law for legal judgments.

Sec. 531.552. WORK GROUP ON UNCOMPENSATED HOSPITAL CARE.

(a) In this section, "work group" means the work group on uncompensated hospital care.

(b) The executive commissioner shall establish the work group on uncompensated hospital care to assist the executive commissioner in developing rules required by Section 531.551 by performing the functions described by Subsection (g).

(c) The executive commissioner shall determine the number of members of the work group. The executive commissioner shall ensure that the work group includes representatives from the office
of the attorney general and the hospital industry. A member of the work group serves at the will of the executive commissioner.

(d) The executive commissioner shall designate a member of the work group to serve as presiding officer. The members of the work group shall elect any other necessary officers.

(e) The work group shall meet at the call of the executive commissioner.

(f) A member of the work group may not receive compensation for serving on the work group but is entitled to reimbursement for travel expenses incurred by the member while conducting the business of the work group as provided by the General Appropriations Act.

(g) The work group shall study and advise the executive commissioner in:

(1) identifying the number of different reports required to be submitted to the state that address uncompensated hospital care, care for low-income uninsured persons in this state, or both;

(2) standardizing the definitions used to determine uncompensated hospital care for purposes of those reports;

(3) improving the tracking of hospital charges, costs, and adjustments as those charges, costs, and adjustments relate to identifying uncompensated hospital care and maintaining a hospital's tax-exempt status;

(4) developing and applying a standard set of adjustments to a hospital's initial computation of the cost of uncompensated hospital care that account for all funding streams
that:

(A) are not patient-specific; and

(B) are used to offset the hospital’s initially computed amount of uncompensated care;

(5) developing a standard and comprehensive center for data analysis and reporting with respect to uncompensated hospital care; and

(6) analyzing the effect of the standardization of the definition of uncompensated hospital care and the computation of its cost, as determined in accordance with the rules adopted by the executive commissioner, on the laws of this state, and analyzing potential legislation to incorporate the changes made by the standardization.

(b) The executive commissioner of the Health and Human Services Commission shall:

(1) establish the work group on uncompensated hospital care required by Section 531.552, Government Code, as added by this section, not later than October 1, 2007; and

(2) adopt the rules required by Section 531.551, Government Code, as added by this section, not later than January 1, 2009.

(c) The executive commissioner of the Health and Human Services Commission shall review the methodology used under the Medicaid disproportionate share hospitals supplemental payment program to compute low-income utilization costs to ensure that the Medicaid disproportionate share methodology is consistent with the standardized adjustments to uncompensated care costs described by
Section 531.552(g)(4), Government Code, as added by this section, and adopted by the executive commissioner.

SECTION 7. Chapter 531, Government Code, is amended by adding Subchapter P to read as follows:

SUBCHAPTER P. PHYSICIAN-CENTERED NURSING FACILITY MODEL DEMONSTRATION PROJECT

Sec. 531.601. DEFINITIONS. In this subchapter:

(1) "Nursing facility" has the meaning assigned by Section 242.301, Health and Safety Code.

(2) "Project" means the physician-centered nursing facility model demonstration project implemented under this subchapter.

Sec. 531.602. PHYSICIAN-CENTERED NURSING FACILITY MODEL DEMONSTRATION PROJECT. (a) The commission may develop and implement a demonstration project to determine whether paying an enhanced Medicaid reimbursement rate to a nursing facility that provides continuous, on-site oversight of residents by physicians specializing in geriatric medicine results in:

(1) improved overall health of residents of that facility; and

(2) cost savings resulting from a reduction of acute care hospitalization and pharmaceutical costs.

(b) In developing the project, the commission may consider similar physician-centered nursing facility models implemented in other states to determine the most cost-effective measures to implement in the project under this subchapter.

(c) The commission may consider whether the project could
involve the Medicare program, subject to federal law and approval.

Sec. 531.603. REPORT. (a) If the commission develops and implements the project, the commission shall, not later than December 1, 2008, submit a preliminary status report to the governor, the lieutenant governor, the speaker of the house of representatives, and the chairs of the standing committees of the senate and house of representatives having primary jurisdiction over the Medicaid program. The report must:

(1) describe the project, including the implementation and performance of the project during the preceding year; and

(2) evaluate the operation of the project.

(b) If the commission develops and implements the project, the commission shall submit a subsequent report to the persons listed in Subsection (a) preceding the regular session of the 82nd Legislature. The report must make recommendations regarding:

(1) the continuation or expansion of the project, to be determined based on the cost-effectiveness of the project; and

(2) if the commission recommends expanding the project, any necessary statutory or budgetary changes.

Sec. 531.604. EXPIRATION. This subchapter expires September 1, 2011.

SECTION 8. Subchapter A, Chapter 533, Government Code, is amended by adding Section 533.0051 to read as follows:

Sec. 533.0051. PERFORMANCE MEASURES AND INCENTIVES FOR VALUE-BASED CONTRACTS. (a) The commission shall establish outcome-based performance measures and incentives to include in
each contract between a health maintenance organization and the commission for the provision of health care services to recipients that is procured and managed under a value-based purchasing model. The performance measures and incentives must be designed to facilitate and increase recipients' access to appropriate health care services.

(b) Subject to Subsection (c), the commission shall include the performance measures and incentives established under Subsection (a) in each contract described by that subsection in addition to all other contract provisions required by this chapter.

(c) The commission may use a graduated approach to including the performance measures and incentives established under Subsection (a) in contracts described by that subsection to ensure incremental and continued improvements over time.

(d) The commission shall assess the feasibility and cost-effectiveness of including provisions in a contract described by Subsection (a) that require the health maintenance organization to provide to the providers in the organization's provider network pay-for-performance opportunities that support quality improvements in the care of Medicaid recipients. If the commission determines that the provisions are feasible and may be cost-effective, the commission shall develop and implement a pilot program in at least one health care service region under which the commission will include the provisions in contracts with health maintenance organizations offering managed care plans in the region.

SECTION 9. (a) Subchapter A, Chapter 533, Government Code,
is amended by adding Section 533.019 to read as follows:

Sec. 533.019. VALUE-ADDED SERVICES. The commission shall
actively encourage managed care organizations that contract with
the commission to offer benefits, including health care services or
benefits or other types of services, that:

(1) are in addition to the services ordinarily covered
by the managed care plan offered by the managed care organization;

and

(2) have the potential to improve the health status of
enrollees in the plan.

(b) The changes in law made by Section 533.019, Government
Code, as added by this section, apply to a contract between the
Health and Human Services Commission and a managed care
organization under Chapter 533, Government Code, that is entered
into or renewed on or after the effective date of this section. The
commission shall seek to amend contracts entered into with managed
care organizations under that chapter before the effective date of
this section to authorize those managed care organizations to offer
value-added services to enrollees in accordance with Section
533.019, Government Code, as added by this section.

SECTION 10. Subchapter B, Chapter 32, Human Resources Code,
is amended by adding Section 32.0214 to read as follows:

Sec. 32.0214. DESIGNATIONS OF PRIMARY CARE PROVIDER BY
CERTAIN RECIPIENTS. (a) If the department determines that it is
cost-effective and feasible and subject to Subsection (b), the
department shall require each recipient of medical assistance to
designate a primary care provider with whom the recipient will have
a continuous, ongoing professional relationship and who will
provide and coordinate the recipient's initial and primary care,
maintain the continuity of care provided to the recipient, and
initiate any referrals to other health care providers.

(b) A recipient who receives medical assistance through a
Medicaid managed care model or arrangement under Chapter 533,
Government Code, that requires the designation of a primary care
provider shall designate the recipient's primary care provider as
required by that model or arrangement.

SECTION 11. Section 32.0422, Human Resources Code, is
amended to read as follows:

Sec. 32.0422. HEALTH INSURANCE PREMIUM PAYMENT
REIMBURSEMENT PROGRAM FOR MEDICAL ASSISTANCE RECIPIENTS. (a) In
this section:

(1) "Commission" ["Department"] means the Health and
Human Services Commission [Texas Department of Health].

(2) "Executive commissioner" means the executive
commissioner of the Health and Human Services Commission.

(3) "Group health benefit plan" means a plan described
by Section 1207.001, Insurance Code.

(b) The commission [department] shall identify individuals,
otherwise entitled to medical assistance, who are eligible to
enroll in a group health benefit plan. The commission [department]
must include individuals eligible for or receiving health care
services under a Medicaid managed care delivery system.

(b-1) To assist the commission in identifying individuals
described by Subsection (b):
(1) the commission shall include on an application for medical assistance and on a form for recertification of a recipient's eligibility for medical assistance:
   (A) an inquiry regarding whether the applicant or recipient, as applicable, is eligible to enroll in a group health benefit plan; and
   (B) a statement informing the applicant or recipient, as applicable, that reimbursements for required premiums and cost-sharing obligations under the group health benefit plan may be available to the applicant or recipient; and

(2) not later than the 15th day of each month, the office of the attorney general shall provide to the commission the name, address, and social security number of each newly hired employee reported to the state directory of new hires operated under Chapter 234, Family Code, during the previous calendar month.

(c) The commission [department] shall require an individual requesting medical assistance or a recipient, during the recipient's eligibility recertification review, to provide information as necessary relating to any [the availability of a] group health benefit plan that is available to the individual or recipient through an employer of the individual or recipient or an employer of the individual's or recipient's spouse or parent to assist the commission in making the determination required by Subsection (d).

(d) For an individual identified under Subsection (b), the commission [department] shall determine whether it is cost-effective to enroll the individual in the group health benefit plan.
plan under this section.

(e) If the commission [department] determines that it is cost-effective to enroll the individual in the group health benefit plan, the commission [department] shall:

(1) require the individual to apply to enroll in the group health benefit plan as a condition for eligibility under the medical assistance program; and

(2) provide written notice to the issuer of the group health benefit plan in accordance with Chapter 1207, Insurance Code.

(e-1) This subsection applies only to an individual who is identified under Subsection (b) as being eligible to enroll in a group health benefit plan offered by an employer. If the commission determines under Subsection (d) that enrolling the individual in the group health benefit plan is not cost-effective, but the individual prefers to enroll in that plan instead of receiving benefits and services under the medical assistance program, the commission, if authorized by a waiver obtained under federal law, shall:

(1) allow the individual to voluntarily opt out of receiving services through the medical assistance program and enroll in the group health benefit plan;

(2) consider that individual to be a recipient of medical assistance; and

(3) provide written notice to the issuer of the group health benefit plan in accordance with Chapter 1207, Insurance Code.
C.S.S.B. No. 10

(f) Except as provided by Subsection (f-1), the commission shall provide for payment of:

(1) the employee's share of required premiums for coverage of an individual enrolled in the group health benefit plan; and

(2) any deductible, copayment, coinsurance, or other cost-sharing obligation imposed on the enrolled individual for an item or service otherwise covered under the medical assistance program.

(f-1) For an individual described by Subsection (e-1) who enrolls in a group health benefit plan, the commission shall provide for payment of the employee's share of the required premiums, except that if the employee's share of the required premiums exceeds the total estimated Medicaid costs for the individual, as determined by the executive commissioner, the individual shall pay the difference between the required premiums and those estimated costs. The individual shall also pay all deductibles, copayments, coinsurance, and other cost-sharing obligations imposed on the individual under the group health benefit plan.

(g) A payment made by the commission under Subsection (f) or (f-1) is considered to be a payment for medical assistance.

(h) A payment of a premium for an individual who is a member of the family of an individual enrolled in a group health benefit plan under Subsection (e) and who is not eligible for medical assistance is considered to be a payment for medical assistance.
assistance for an eligible individual if:

(1) enrollment of the family members who are eligible for medical assistance is not possible under the plan without also enrolling members who are not eligible; and

(2) the commission [department] determines it to be cost-effective.

(i) A payment of any deductible, copayment, coinsurance, or other cost-sharing obligation of a family member who is enrolled in a group health benefit plan in accordance with Subsection (h) and who is not eligible for medical assistance:

(1) may not be paid under this chapter; and

(2) is not considered to be a payment for medical assistance for an eligible individual.

(i-1) The commission shall make every effort to expedite payments made under this section, including by ensuring that those payments are made through electronic transfers of money to the recipient's account at a financial institution, if possible. In lieu of reimbursing the individual enrolled in the group health benefit plan for required premium or cost-sharing payments made by the individual, the commission may, if feasible:

(1) make payments under this section for required premiums directly to the employer providing the group health benefit plan in which an individual is enrolled; or

(2) make payments under this section for required premiums and cost-sharing obligations directly to the group health benefit plan issuer.

(j) The commission [department] shall treat coverage under C.S.S.B. No. 10

39
the group health benefit plan as a third party liability to the
program. Subject to Subsection (j-1), enrollment of an individual in a group health benefit plan under this section does not affect the individual's eligibility for medical assistance benefits, except that the state is entitled to payment under Sections 32.033 and 32.038.

(j-1) An individual described by Subsection (e-1) who enrolls in a group health benefit plan is not ineligible for community-based services provided under a Section 1915(c) waiver program or another federal waiver program solely based on the individual's enrollment in the group health benefit plan, and the individual may receive those services if the individual is otherwise eligible for the program. The individual is otherwise limited to the health benefits coverage provided under the health benefit plan in which the individual is enrolled, and the individual may not receive any benefits or services under the medical assistance program other than the premium payment as provided by Subsection (f-1) and, if applicable, waiver program services described by this subsection.

(k) The commission may not require or permit an individual who is enrolled in a group health benefit plan under this section to participate in the Medicaid managed care program under Chapter 533, Government Code, or a Medicaid managed care demonstration project under Section 32.041.

(1) The commission, in consultation with the Texas Department of Insurance, shall provide training to agents who hold a general life, accident, and health license under Chapter 4054,
Insurance Code, regarding the health insurance premium payment
reimbursement program and the eligibility requirements for
participation in the program. Participation in a training program
established under this subsection is voluntary, and a general life,
accident, and health agent who successfully completes the training
is entitled to receive continuing education credit under Subchapter
B, Chapter 4004, Insurance Code, in accordance with rules adopted
by the commissioner of insurance.

(m) The commission may pay a referral fee, in an amount
determined by the commission, to each general life, accident, and
health agent who, after completion of the training program
established under Subsection (l), successfully refers an eligible
individual to the commission for enrollment in a [Texas Department
of Human Services shall provide information and otherwise cooperate
with the department as necessary to ensure the enrollment of
eligible individuals in the] group health benefit plan under this
section.

(n) The commission shall develop procedures by which an
individual described by Subsection (e-1) who enrolls in a group
health benefit plan may, at the individual's option, resume
receiving benefits and services under the medical assistance
program instead of the group health benefit plan.

(o) The commission shall develop procedures which ensure
that, prior to allowing an individual described by Subsection (e-1)
to enroll in a group health benefit plan or allowing the parent or
caretaker of an individual described by Subsection (e-1) under the
age of 21 to enroll that child in a group health benefit plan:
(1) the individual must receive counseling informing them that for the period in which the individual is enrolled in the group health benefit plan:

(A) the individual shall be limited to the health benefits coverage provided under the health benefit plan in which the individual is enrolled;

(B) the individual may not receive any benefits or services under the medical assistance program other than the premium payment as provided by Subsection (f-1);

(C) the individual shall pay the difference between the required premiums and the premium payment as provided by Subsection (f-1) and shall also pay all deductibles, copayments, coinsurance, and other cost-sharing obligations imposed on the individual under the group health benefit plan; and

(D) the individual may, at the individual's option through procedures developed by the commission, resume receiving benefits and services under the medical assistance program instead of the group health benefit plan; and

(2) the individual must sign and the commission shall retain a copy of a waiver indicating the individual has provided informed consent.

(p) The executive commissioner [department] shall adopt rules as necessary to implement this section.

SECTION 12. Subchapter B, Chapter 32, Human Resources Code, is amended by adding Section 32.0641 to read as follows:

Sec. 32.0641. COST SHARING FOR CERTAIN HIGH-COST MEDICAL SERVICES. (a) If the department determines that it is feasible and
cost-effective, and to the extent permitted under Title XIX, Social Security Act (42 U.S.C. Section 1396 et seq.) and any other applicable law or regulation or under a federal waiver or other authorization, the executive commissioner of the Health and Human Services Commission shall adopt cost-sharing provisions that require a recipient who chooses a high-cost medical service provided through a hospital emergency room to pay a copayment, premium payment, or other cost-sharing payment for the high-cost medical service if:

(1) the hospital from which the recipient seeks service:

   (A) performs an appropriate medical screening and determines that the recipient does not have a condition requiring emergency medical services;

   (B) informs the recipient:

      (i) that the recipient does not have a condition requiring emergency medical services;

      (ii) that, if the hospital provides the nonemergency service, the hospital may require payment of a copayment, premium payment, or other cost-sharing payment by the recipient in advance; and

      (iii) of the name and address of a nonemergency Medicaid provider who can provide the appropriate medical service without imposing a cost-sharing payment; and

   (C) offers to provide the recipient with a referral to the nonemergency provider to facilitate scheduling of the service; and
Section 13. Chapter 32, Human Resources Code, is amended by adding Subchapter C to read as follows:

SUBCHAPTER C. ELECTRONIC COMMUNICATIONS

Sec. 32.101. DEFINITIONS. In this subchapter:

(1) "Electronic health record" means electronically originated and maintained health and claims information regarding the health status of an individual that may be derived from multiple sources and includes the following core functionalities:

(A) a patient health and claims information or data entry function to aid with medical diagnosis, nursing assessment, medication lists, allergy recognition, demographics, clinical narratives, and test results;

(B) a results management function that may include computerized laboratory test results, diagnostic imaging reports, interventional radiology reports, and automated displays of past and present medical or laboratory test results;
C.S.S.B. No. 10

(C) a computerized physician order entry of medication, care orders, and ancillary services;

(D) clinical decision support that may include electronic reminders and prompts to improve prevention, diagnosis, and management; and

(E) electronic communication and connectivity that allows online communication:
   (i) among physicians and health care providers; and
   (ii) among the Health and Human Services Commission, the operating agencies, and participating providers.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3) "Health care provider" means a person, other than a physician, who is licensed or otherwise authorized to provide a health care service in this state.

(4) "Health information technology" means information technology used to improve the quality, safety, or efficiency of clinical practice, including the core functionalities of an electronic health record, electronic medical record, computerized physician or health care provider order entry, electronic prescribing, and clinical decision support technology.

(5) "Operating agency" means a health and human services agency operating part of the medical assistance program.

(6) "Participating provider" means a physician or health care provider who is a provider of medical assistance, including a physician or health care provider who contracts or
otherwise agrees with a managed care organization to provide medical assistance under this chapter.

(7) "Physician" means an individual licensed to practice medicine in this state under the authority of Subtitle B, Title 3, Occupations Code, or a person that is:

(A) a professional association of physicians formed under the Texas Professional Association Law, as described by Section 1.008, Business Organizations Code;

(B) an approved nonprofit health corporation certified under Chapter 162, Occupations Code, that employs or contracts with physicians to provide medical services;

(C) a medical and dental unit, as defined by Section 61.003, Education Code, a medical school, as defined by Section 61.501, Education Code, or a health science center described by Subchapter K, Chapter 74, Education Code, that employs or contracts with physicians to teach or provide medical services, or employs physicians and contracts with physicians in a practice plan; or

(D) a person wholly owned by a person described by Paragraph (A), (B), or (C).

(8) "Recipient" means a recipient of medical assistance.

Sec. 32.102. ELECTRONIC COMMUNICATIONS. (a) To the extent allowed by federal law, the executive commissioner may adopt rules allowing the Health and Human Services Commission to permit, facilitate, and implement the use of health information technology for the medical assistance program to allow for electronic
communication among the commission, the operating agencies, and participating providers for:

(1) eligibility, enrollment, verification procedures, and prior authorization for health care services or procedures covered by the medical assistance program, as determined by the executive commissioner, including diagnostic imaging;

(2) the update of practice information by participating providers;

(3) the exchange of recipient health care information, including electronic prescribing and electronic health records;

(4) any document or information requested or required under the medical assistance program by the Health and Human Services Commission, the operating agencies, or participating providers; and

(5) the enhancement of clinical and drug information available through the vendor drug program to ensure a comprehensive electronic health record for recipients.

(b) If the executive commissioner determines that a need exists for the use of health information technology in the medical assistance program and that the technology is cost-effective, the Health and Human Services Commission may, for the purposes prescribed by Subsection (a):

(1) acquire and implement the technology; or

(2) evaluate the feasibility of developing and, if feasible, develop, the technology through the use or expansion of other systems or technologies the commission uses for other purposes, including:
C.S.S.B. No. 10
(A) the technologies used in the pilot program
implemented under Section 531.1063, Government Code; and
(B) the health passport developed under Section
266.006, Family Code.
(c) The commission:
(1) must ensure that health information technology
used under this section complies with the applicable requirements
of the Health Insurance Portability and Accountability Act;
(2) may require the health information technology used
under this section to include technology to extract and process
claims and other information collected, stored, or accessed by the
medical assistance program, program contractors, participating
providers, and state agencies operating any part of the medical
assistance program for the purpose of providing patient information
at the location where the patient is receiving care;
(3) must ensure that a paper record or document is not
required to be filed if the record or document is permitted or
required to be filed or transmitted electronically by rule of the
executive commissioner;
(4) may provide for incentives to participating
providers to encourage their use of health information technology
under this subchapter;
(5) may provide recipients with a method to access
their own health information; and
(6) may present recipients with an option to decline
having their health information maintained in an electronic format
under this subchapter.
The executive commissioner shall consult with participating providers and other interested stakeholders in developing any proposed rules under this section. The executive commissioner shall request advice and information from those stakeholders concerning the proposed rules, including advice regarding the impact of and need for a proposed rule.

SECTION 14. (a) Chapter 32, Human Resources Code, is amended by adding Subchapter D to read as follows:

SUBCHAPTER D. ELECTRONIC HEALTH INFORMATION PILOT PROGRAM

Sec. 32.151. DEFINITIONS. In this subchapter:

(1) "Electronic health record" means an ambulatory electronic health record that is certified by the Certification Commission for Healthcare Information Technology or that meets other federally approved interoperability standards.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3) "Health information technology" means information technology used to improve the quality, safety, and efficiency of clinical practice, including the core functionalities of an electronic health record, computerized physician order entry, electronic prescribing, and clinical decision support technology.

(4) "Physician" means:

(A) an individual licensed to practice medicine in this state under Subtitle B, Title 3, Occupations Code; or

(B) a professional association of four or fewer physicians formed under the Texas Professional Association Law, as described by Section 1.008, Business Organizations Code.
(5) "Recipient" means a recipient of medical assistance.

Sec. 32.152. ELECTRONIC HEALTH INFORMATION PILOT PROGRAM. The executive commissioner, from money appropriated for this purpose, shall develop and implement a pilot program for providing health information technology, including electronic health records, for use by primary care physicians who provide medical assistance to recipients.

Sec. 32.153. PROVIDER PARTICIPATION. For participation in the pilot program, the department shall select physicians who:

(1) volunteer to participate in the program;

(2) are providers of medical assistance, including physicians who contract or otherwise agree with a managed care organization to provide medical assistance under this chapter; and

(3) demonstrate that at least 40 percent of the physicians' practice involves the provision of primary care services to recipients in the medical assistance program.

Sec. 32.154. SECURITY OF PERSONALLY IDENTIFIABLE HEALTH INFORMATION. (a) Personally identifiable health information of recipients enrolled in the pilot program must be maintained in an electronic format or technology that meets interoperability standards that are recognized by the Certification Commission for Healthcare Information Technology or other federally approved certification standards.

(b) The system used to access a recipient's electronic health record must be secure and maintain the confidentiality of the recipient's personally identifiable health information in 2023.
Sec. 32.155. GIFTS, GRANTS, AND DONATIONS. The department may request and accept gifts, grants, and donations from public or private entities for the implementation of the pilot program.

Sec. 32.156. PROTECTED HEALTH INFORMATION. To the extent that this subchapter authorizes the use or disclosure of protected health information by a covered entity, as those terms are defined by the privacy rule of the Administrative Simplification subtitle of the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191) contained in 45 C.F.R. Part 160 and 45 C.F.R. Part 164, Subparts A and E, the covered entity shall ensure that the use or disclosure complies with all applicable requirements, standards, or implementation specifications of the privacy rule.

Sec. 32.157. EXPIRATION OF SUBCHAPTER. This subchapter expires September 1, 2011.

(b) Not later than December 31, 2008, the executive commissioner of the Health and Human Services Commission shall submit to the governor, lieutenant governor, speaker of the house of representatives, presiding officer of the House Committee on Public Health, and presiding officer of the Senate Committee on Health and Human Services a report regarding the preliminary results of the pilot program established under Subchapter D, Chapter 32, Human Resources Code, as added by this section, and any recommendations regarding expansion of the pilot program, including any recommendations for legislation and requests for appropriation necessary for the expansion of the pilot program.

SECTION 15. (a) In this section, "committee" means the
committee on health and long-term care insurance incentives.

(b) The committee on health and long-term care insurance incentives is established to study and develop recommendations regarding methods by which this state may reduce the need for residents of this state to rely on the Medicaid program by providing incentives for employers to provide health insurance, long-term care insurance, or both, to their employees.

(c) The committee on health and long-term care insurance incentives is composed of:

(1) the presiding officers of:

(A) the Senate Committee on Health and Human Services;

(B) the House Committee on Public Health;

(C) the Senate Committee on State Affairs; and

(D) the House Committee on Insurance;

(2) three public members, appointed by the governor, who collectively represent the diversity of businesses in this state, including diversity with respect to:

(A) the geographic regions in which those businesses are located;

(B) the types of industries in which those businesses are engaged; and

(C) the sizes of those businesses, as determined by number of employees; and

(3) the following ex officio members:

(A) the comptroller of public accounts;

(B) the commissioner of insurance; and
The committee shall elect a presiding officer from the committee members and shall meet at the call of the presiding officer.

(e) The committee shall study and develop recommendations regarding incentives this state may provide to employers to encourage those employers to provide health insurance, long-term care insurance, or both, to employees who would otherwise rely on the Medicaid program to meet their health and long-term care needs. In conducting the study, the committee shall:

(1) examine the feasibility and determine the cost of providing incentives through:

(A) the franchise tax under Chapter 171, Tax Code, including allowing exclusions from an employer's total revenue of insurance premiums paid for employees, regardless of whether the employer chooses under Section 171.101(a)(1)(B)(ii), Tax Code, as effective January 1, 2008, to subtract cost of goods sold or compensation for purposes of determining the employer's taxable margin;

(B) deductions from or refunds of other taxes imposed on the employer; and

(C) any other means, as determined by the committee; and

(2) for each incentive the committee examines under Subdivision (1) of this subsection, determine the impact that implementing the incentive would have on reducing the number of
individuals in this state who do not have private health or long-term care insurance coverage, including individuals who are Medicaid recipients.

(f) Not later than September 1, 2008, the committee shall submit to the Senate Committee on Health and Human Services, the House Committee on Public Health, the Senate Committee on State Affairs, and the House Committee on Insurance a report regarding the results of the study required by this section. The report must include a detailed description of each incentive the committee examined and determined is feasible and, for each of those incentives, specify:

(1) the anticipated cost associated with providing that incentive;

(2) any statutory changes needed to implement the incentive; and

(3) the impact that implementing the incentive would have on reducing:

(A) the number of individuals in this state who do not have private health or long-term care insurance coverage; and

(B) the number of individuals in this state who are Medicaid recipients.

SECTION 16. (a) The Health and Human Services Commission shall conduct a study regarding the feasibility and cost-effectiveness of developing and implementing an integrated Medicaid managed care model designed to improve the management of care provided to Medicaid recipients who are aging, blind, or...
disabled or have chronic health care needs and are not enrolled in a
managed care plan offered under a capitated Medicaid managed care
model, including recipients who reside in:
   (1) rural areas of this state; or
   (2) urban or surrounding areas in which the Medicaid
Star + Plus program or another capitated Medicaid managed care
model is not available.
(b) Not later than September 1, 2008, the Health and Human
Services Commission shall submit a report regarding the results of
the study to the standing committees of the senate and house of
representatives having primary jurisdiction over the Medicaid
program.

SECTION 17. (a) In this section:
   (1) "Child health plan program" means the state child
health plan program authorized by Chapter 62, Health and Safety
Code.
   (2) "Medicaid" means the medical assistance program
provided under Chapter 32, Human Resources Code.
(b) The Health and Human Services Commission shall conduct a
study of the feasibility of providing a health passport for:
   (1) children under 19 years of age who are receiving
Medicaid and are not provided a health passport under another law of
this state; and
   (2) children enrolled in the child health plan
program.
(c) The feasibility study must:
   (1) examine the cost-effectiveness of the use of a
health passport in conjunction with the coordination of health care
services under each program;

(2) identify any barriers to the implementation of the
health passport developed for each program and recommend strategies
for the removal of those barriers;

(3) examine whether the use of a health passport will
improve the quality of care for children described in Subsection
(b) of this section; and

(4) determine the fiscal impact to this state of the
proposed initiative.

(d) Not later than January 1, 2009, the Health and Human
Services Commission shall submit to the governor, lieutenant
governor, speaker of the house of representatives, and presiding
officers of each standing committee of the legislature with
jurisdiction over the commission a written report containing the
findings of the study and the commission's recommendations.

(e) This section expires September 1, 2009.

SECTION 18. (a) The Medicaid Reform Legislative Oversight
Committee is created to facilitate the reform efforts in Medicaid,
the process of addressing the issues of uncompensated hospital
care, and the establishment of programs addressing the uninsured.

(b) The committee is composed of six members, as follows:

(1) three members of the senate, appointed by the
lieutenant governor not later than October 1, 2007; and

(2) three members of the house of representatives,
appointed by the speaker of the house of representatives not later
than October 1, 2007.
(c) A member of the committee serves at the pleasure of the appointing official.

(d) The lieutenant governor shall designate a member of the committee as the presiding officer.

(e) A member of the committee may not receive compensation for serving on the committee but is entitled to reimbursement for travel expenses incurred by the member while conducting the business of the committee as provided by the General Appropriations Act.

(f) The committee shall:
   (1) facilitate the design and development of any Medicaid waivers needed to affect reform as directed by this Act;
   (2) facilitate a smooth transition from existing Medicaid payment systems and benefit designs to the new model of Medicaid enabled by waiver or policy change by the Health and Human Services Commission;
   (3) meet at the call of the presiding officer; and
   (4) research, take public testimony, and issue reports requested by the lieutenant governor or speaker of the house of representatives.

(g) The committee may:
   (1) request reports and other information from the Health and Human Services Commission; and
   (2) review the findings of the work group on uncompensated hospital care established under Section 531.552, Government Code, as added by this Act.

(h) The committee shall use existing staff of the senate,
the house of representatives, and the Texas Legislative Council to assist the committee in performing its duties under this section.

(i) Chapter 551, Government Code, applies to the committee.

(j) The committee shall report to the lieutenant governor and speaker of the house of representatives not later than November 15, 2008. The report must include:

(1) identification of significant issues that impede the transition to a more effective Medicaid program;

(2) the measures of effectiveness associated with changes to the Medicaid program;

(3) the impact of Medicaid changes on safety net hospitals and other significant traditional providers; and

(4) the impact on the uninsured in Texas.

(k) This section expires September 1, 2009, and the committee is abolished on that date.

(l) This section takes effect immediately if this Act receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for this section to have immediate effect, this section takes effect September 1, 2007.

SECTION 19. If before implementing any provision of this Act a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision, the agency affected by the provision shall request the waiver or authorization and may delay implementing that provision until the waiver or authorization is granted.

SECTION 20. Except as otherwise provided by this Act, this
Act takes effect September 1, 2007.
