23 defendant by both the departments and courts served by the  
24 department;

25 (9) the use of inpatient and outpatient treatment  
26 options, including substance abuse treatment, mental health  
27 treatment, and cognitive and behavioral programs for defendants;

6 coordinators who will develop faith-based resources, including a  
7 mentoring program.

8           (c) The division shall, not later than December 1 of each  
9 even-numbered year, provide a report to the board. The report must  
10 state the number of departments receiving grants under this  
11 section, identify those departments by name, and describe for each  
12 department receiving a grant the components of the department's  
13 program and the success of the department in reducing revocations.  
14 The report must also contain an analysis of the scope,  
15 effectiveness, and cost benefit of programs funded by grants  
16 provided under this section and a comparison of those programs to  
17 similar programs in existence in various departments before March  
18 1, 2005. The division may include in the report any other  
19 information the division determines will be beneficial to the board  
20 or the legislature. The board shall forward the report to the  
21 lieutenant governor and the speaker of the house of representatives  
22 not later than December 15 of each even-numbered year.

23           SECTION 2. The community justice assistance division of the
