9 the person's right to any unused portion of the maximum number of
10 cumulative credit hours for which the person could receive the
11 exemption and assign the exemption for the unused portion of those
12 credit hours to one of the person's children. The procedures shall
13 provide:

14 (1) the manner in which a person may waive the
15 exemption and designate a child to receive the exemption;

16 (2) a procedure permitting the person to designate a

10 procedures by which a person who suffered from a severe illness or
11 other debilitating condition that affected the person's ability to
12 use the exemption before reaching that age may be granted
13 additional time to use the exemption corresponding to the time the
14 person was unable to use the exemption because of the illness or

20 law in effect immediately before the effective date of this Act, and
21 the former law is continued in effect for that purpose.

1 SECTION 4. This Act takes effect September 1, 2007.
