

SENATE RESOLUTION NO. 261

WHEREAS, The Senate of the State of Texas is pleased to recognize the Community Education Compact, a coalition of educational leaders from Frank Phillips College, the Borger Independent School District, and Texas Tech University who work together to make residents of the Texas Panhandle aware of local educational opportunities and to encourage young people to complete high school and pursue higher education; and

WHEREAS, The role of the Community Education Compact includes supporting innovative practices that lead to educational achievement, providing a unified voice in promoting secondary and post-secondary education, and making provisions for the smooth transition of high school students in the Borger Independent School District to Frank Phillips College and to Texas Tech University; and

WHEREAS, The coalition strives to ensure that Borger Independent School District offers a curriculum that meets the contemporary needs of students and provides them with access to higher education; the coalition seeks to secure scholarships and financial assistance for students pursuing higher education and training; and

WHEREAS, The collaborative efforts of the members of the Community Education Compact will go far in helping high school students and the citizens of the Texas Panhandle to attain the education they need to succeed in life and to serve as productive members of their communities; now, therefore, be it

RESOLVED, That the Senate of the State of Texas, 80th Legislature, hereby commend the members of the Community Education Compact for their dedication and their educational goals and extend to them best wishes for success; and, be it further

RESOLVED, That a copy of this Resolution be prepared for the members of the Community Education Compact as an expression of appreciation and highest regard from the Texas Senate.

Seliger

President of the Senate

I hereby certify that the
above Resolution was adopted by
the Senate on February 19, 2007.

Secretary of the Senate

Member, Texas Senate
