

SENATE RESOLUTION NO. 445

WHEREAS, The Senate of the State of Texas is pleased to recognize the Texas Chiropractic College in Pasadena for its long history and its many contributions to chiropractic education in this state; and

WHEREAS, Texas Chiropractic College was founded in San Antonio in 1908, and relocated to Pasadena in 1965; the college is accredited by the Southern Association of Colleges and Schools and the Council on Chiropractic Education; and

WHEREAS, Each year, the college confers approximately 115 doctor of chiropractic degrees and 20 bachelor's degrees of science; as of 2006, alumni at Texas Chiropractic College numbered 3,500, located primarily in Texas and the Southwest; and

WHEREAS, Currently the doctor of chiropractic program has 350 students and the undergraduate program has 60 students; the school's faculty-led research explores facets of nutrition, pain management, spinal manipulation, diabetes, and alternative therapies; and

WHEREAS, Moody Health Center, the college's outpatient care facility, is a model integrative health care facility that features traditional chiropractic care and family practice by medical doctors; the facility also offers acupuncture, massage, and dietary management and has about 3,500 patient visits yearly; and

WHEREAS, Texas Chiropractic College is the fourth-oldest chiropractic college in the world, and it is recognized as one of the best; now, therefore, be it

RESOLVED, That the Senate of the State of Texas, 80th Legislature, hereby commend the Texas Chiropractic College for providing 99 years of outstanding chiropractic education and extend to all associated with the college best wishes in all their future endeavors; and, be it further

RESOLVED, That a copy of this Resolution be prepared as an expression of esteem from the Texas Senate.

Jackson

President of the Senate

I hereby certify that the above Resolution was adopted by the Senate on March 12, 2007.

Secretary of the Senate

Member, Texas Senate
