

SENATE RESOLUTION NO. 991

WHEREAS, The Senate of the State of Texas is pleased to recognize Koch-Glitsch LP in Dallas, whose outstanding safety program has earned the company star status in the Voluntary Protection Programs of the Occupational Safety and Health Administration; and

WHEREAS, The Voluntary Protection Programs promote effective worksite-based safety and health; star status recognition honors the commitment and combined efforts of employers and employees to upholding high occupational safety and health standards; and

WHEREAS, Koch-Glitsch is one of only a few companies in the Dallas area to have achieved the star status recognition; the company offers unique technology with a wide range of services and strategically located manufacturing facilities; the Dallas facility manufactures packing products for the chemical and petrochemical industry; and

WHEREAS, The 43 employees in the Dallas facility have worked for more than three years without an injury that resulted in time away from work; Koch-Glitsch was selected last year as one of America's safest companies by *Occupational Hazards* magazine; and

WHEREAS, Koch-Glitsch has demonstrated its commitment to providing a safe and healthy work environment and has been recognized for the outstanding efforts of the management and the employees, who have achieved exemplary standards of occupational safety and health; now, therefore, be it

RESOLVED, That the Senate of the State of Texas, 80th Legislature, hereby congratulate Koch-Glitsch LP on receiving the star status from the Voluntary Protection Programs of the Occupational Safety and Health Administration and commend all the members of its staff for their efforts to improve workplace safety; and, be it further

RESOLVED, That a copy of this Resolution be prepared as an expression of high regard from the Texas Senate.
