

Suspending limitations on conference committee jurisdiction H.B. 1

By: Ogden

S.R. No. 1208

SENATE RESOLUTION

BE IT RESOLVED, BY THE Senate of the State of Texas, that Senate Rule 12.03 and 12.04, be suspended in part as provided by Senate Rule 12.08 to enable consideration of, and action on, the following specific matters which may be contained in the Conference Committee Report on House Bill No. 1.

1. Format Changes

For each agency and institution of higher education, the Conference Committee Report moves the informational item entitled "Supplemental Appropriations Made in Riders" from immediately following the "Schedule of Exempt Positions" to immediately after the grand total of all appropriations made in strategies.

For each general academic institution, service agency, health center, health science center, technical college and system office, the Conference Committee report combines all strategy appropriations into one single appropriation with the individual strategies shown, for information purposes only, as the first rider in the institution's bill pattern. This format change does not affect the amount of appropriations to any institution or the method of financing any institution's appropriations.
