

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION**

**March 20, 2007**

**TO:** Honorable Mike Krusee, Chair, House Committee on Transportation

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB71** by Leibowitz (Relating to counterfeit motor vehicle airbags; providing a penalty.),  
**Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Transportation Code to create as an offense the making or selling of a counterfeit airbag for a motor vehicle, intentionally altering an airbag that is not counterfeit but causes the airbag to no longer meet federal safety regulations, representing that a counterfeit airbag is not counterfeit, or causing another person to violate any of those prohibitions. An offense would be a Class A misdemeanor unless it is a second or subsequent offense, in which case it would be a third degree felony. If as a result of the offense an individual suffers bodily harm, it would be a second degree felony.

The proposed change in law would apply only to an offense committed on or after the effective date of the bill, which would be September 1, 2007.

While felony offenses may be punishable by a prison sentence (2 years to 20 years for a second degree and 2 years to 10 years for a third degree) in addition to fines, it is anticipated that implementation of the bill would not have a significant fiscal impact on the state's prison system. In addition, while punishment for felony offenses may also include fines not to exceed \$10,000, the fiscal impact is not expected to be significant.

While a Class A misdemeanor may be punishable by confinement in a county jail (not to exceed one year) and a fine not to exceed \$4,000, it is anticipated that implementation of the bill would not have a significant fiscal impact on counties or county jails.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
