Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

May 15, 2007

TO: Honorable Tom Craddick, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB73 by Flynn (Relating to the protection of customer telephone records; providing a penalty.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend the Business and Commerce Code relating to the protection of customer telephone records by making it illegal for a person to fraudulently obtain or attempt to obtain, or conspire with another person to obtain, a telephone record of any person in this state without the authorization of the person to whom the record pertains. The bill would provide that a violation of this provision is a Class A misdemeanor that may result in a fine of up to \$20,000.

Based on the analysis of the Public Utility Commission and the Office of the Attorney General, it is assumed that duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

This bill would take effect September 1, 2007.
