**Austin, Texas**

**FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION**

**March 16, 2007**

**TO:** Honorable Vicki Truitt, Chair, House Committee on Pensions & Investments

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB155** by Pickett (Relating to correcting errors in the distribution of benefits by a public retirement system.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would require public retirement systems to issue notices to members in the event of an error in calculation of payments, would limit the period during which recoveries of overpayments could be made, and would establish a complaint process regarding errors in payment calculations. To the extent that limitations placed on the period during which a system has to recover funds associated with overpayments prevents recovery, systems would incur a loss. The extent of potential losses cannot be estimated.

**Local Government Impact**

The Texas County and District Retirement System reports that it could cost up to \$151,000 per year in legal fees and administrative costs to respond to complaints filed by error notice recipients.
